Hi Rebecca,

Please find attached two very minor comments on the cover.

For the proposal, I noticed some italics missing in the listing of charges in 1.1.2 (I missed this in my previous review). I checked against the current live baseline, and italicized some of the items – please accept the italicization prior to sending to Chuck/Barb/John.

Thank you,

Jo,
Internal Impact Assessment for MR-00434 (Regulated Settlement) is complete. Responses of “no comment” were received from Nicholas Ingman and Stephen Hutchinson. Please review the attached cover memo for January TP. The proposal document is unchanged from the IIA version. I will send the documents to Chuck, Barb and Legal in the first week of January. Please provide your review prior to January 2.

Thank you,
Rebecca
