Idalin,
The earliest effective date for these rules is May 4, 2018. Do you want them to go live on this date? I am assuming that since these changes are for clarification/consistency that you will want them effective at the earliest possible date.
Thanks,
Rebecca

Idalin,

The regulated settlement amendment proposal MR-00434 was posted for stakeholder comment for a period of two weeks ending February 8th. No comments were received during this timeframe. At the March 6th TP meeting I will be asking the TP to vote to recommend the proposal to the Board for approval.

Rebecca
