Re: **President's Report to the Board**

The following notes for my President's Report identify emerging/strategic issues followed by updates on regular matters of interest.

Standing Committee on Public Accounts (PAC)

The IESO appeared before the PAC on February 28, 2018 regarding Chapter 2 of the Auditor's General Report (Fair Hydro Plan), together with representatives from Treasury Board, Ministry of Finance, Ontario Financing Authority, Ministry of Energy and Ontario Power Generation. I also appeared before the PAC on March 7, 2018 regarding Chapter 3 (Market Oversight & Cybersecurity) along with Leonard Kula, Sorana Ionescu and Glenn McDonald. The IESO was well-prepared to answer the numerous questions asked by the opposition parties, and highlighted the many changes the IESO is undertaking to respond to the Auditor General's recommendations.
