

Topic / Area of interest	Potential host / presenter organization, and/or speaker	Contact information (name & e-mail)	Can you make an introduction?
Fair Hydro Plan	OPG to host, panel of speakers from OPG, RBC, IESO	Nicolle Butcher Nicolle.butcher@opg.com	Yes
Electrification/ EV's	Panel of speakers (Heather Ferguson OPG, Cara Clairman – Plug n drive, Jane Allen – HydroOne, Neetika Sathe – Alectra all potential speakers)	Nicolle Butcher can coordinate initial discussions with speakers – maybe Plug N Drive can host at their new showroom with another sponsor picking up coffee/breakfast?	
Disruptive Innovation	Maybe one of the consulting firms? Might be something MARS can also lead Cathy add: Could have a session similar to the topics in this attached linkedin article that is more generic: https://www.linkedin.com/pulse/utilities-must-make-innovation-count-successful-benoit-laclau Or more specific – digital grid , internet of things, Cathy add: EY is also hosting an Energy Reimagined Summit in September in London, UK. EY could sponsor this session based on the dialogue from this summit.	Cathy Cobey Cathy.r.cobey@ca.ey.com	
Nuclear refurbishment	Nicolle Butcher is happy to arrange if there is a broader interest in the topic		
IESO market renewal intro and update			
Cyber risks to the electricity grid	cyber security firm
