Mark – I am available for a quick call this afternoon. I can probably best address your accounting questions however you will need to touch base with Lia regarding the business plan and annual rates.

Thanks, Susan

Thanks for putting me in touch with your former colleagues Nancy.

I was wondering if I can have a quick call with one of the IESO personnel (Susan or Lia) to briefly discuss the P&OPEB submission filed by the IESO, certain accounting related questions regarding rate regulated accounting in the context of PSAB standards, as well as to discuss aspects of the annual business plan and how the annual rates are set. I don't think I need more than 10 minutes or so of your time. Are either of you available this afternoon for a call. I'm pretty flexible all afternoon, so any time that works with you should be fine with me. Otherwise, if today is not good, please let me know what day/time works best with you.

Thanks in advance for your help.

Mark.

Hi Susan and Lia,

Hope all is well! Mark Rozic from the Applications division here at the OEB has a couple of questions about the letter the IESO sent in last September in the 'Pensions and Other Post-Employment Benefit' proceeding (attached here for your reference). He has a couple of accounting-related questions which I, of course, could not answer for him, but which should literally just take 5 minutes of your time. I hope you don't mind that I'm passing along your names. I think Mark is going to arrange a quick call with you.

Thanks – and take care!

Nancy
