These are obviously a work in progress but if you read note 3 to the statements it explains the new accounting policies. I will see you on Monday.

Attached are the laid out pages for the financial statements.

Can you please review them and let us know of any changes that need to be made.

You can print them out and mark them up or insert comments into the pdf.

I will let the designer know he will have them back on Monday.

Thanks.

Mary
