It is likely I misheard from the other end of the table. Anyway, you answered my question. Thank you.

I hope I did not relay that message – I will confirm his understanding tomorrow. OESP rate stop May 1<sup>st</sup>. Way too many similar acronyms.

I must have misheard this morning. I thought Tim asked if the OREC (the 8%) was ending May 1<sup>st</sup> and that you said yes.

I am confused OREC is not ending as a result of Ontario's Fair Hydro Plan. It continues and is - part of the 25% reduction. Is this what you are asking – I am at Clarkson if you wish to chat.

Jeannette – just a quick clarifying question for you? Does the OREC end completely on the April invoices – issued in May? And if so, I am assuming that with respect to the message we were instructed to include on all invoices, that would also end on the April invoices, issued in May?

Thanks, Susan
