Yes, the amount would be the same.

Subject: Sale of the regulatory asset

Hi Susan,

I spoke to Michel Picard and have a copy of his report. I have a question – and it relates to whether the right to a future income stream that is being sold to the Trust has the same value as what IESO is being paid? In other words is the amount IESO is selling this right to a future income stream (or regulatory asset) – the same as the amount the Trust will ultimately collect in some way or will it be a different amount?

Rhonda
