Hi,

Any news on this PO 4132?

The pending invoice currently sits on our failing control. Please advise if I need to remove the cost to Line 27 so you can complete the amendment.
Thanks

Hi Megan,

I am unable to proceed with this invoice that we received today (past due).

Line 27 on PO 4132 has no sufficient funds . Please advise if this will be amended to add funds on the same line?

Mark – please forward copy to A/P.

Matt – FYI, this was a good check/catch.

Thanks all. Susan

Hi Susan,

We do not have record of AP receiving invoice 8001656431. Would you like me to forward this to AP for processing?

Also, the difference does reconcile to $504,219.00 when we include invoice 8001656431 for $63,960.00 and remove invoice 8001639887 for $11,000.00. Please let me know if you have any questions.

Regards,

Mark

Mark – do we have this invoice? Apparently this one gets included and the $11,000 does not.

Please let me know.

Susan – your list appears to be missing the attached.

Also, the $11,000 invoice was from my office, and is included in the $22,000 that is the line "Auditor consultations in connection ..."

I believe that reconciles the difference.

Matt

Matt – we have a difference of approx. $52k on the Fair Hydro amount. Have we missed an invoice?

Cheers, Susan
