Action items:

Grant

- Continue discussions re one or multiple organization records, minimizing contact roles
- Work with Dusty and Anne to clarify Market Registration workload impacts
- Check numbers with registration volume sources

Decisions:

- Market Registration and sponsor support current direction but expect various details to be resolved as design continues
 - action item Grant Continue discussions re one or multiple organization records, minimizing contact roles
- Market Registration needs to clarify the anticipated workload increases
 - action item Grant Work with Dusty and Anne to clarify Market Registration workload impacts
 - Market Registration may ask Adelaide business units to participate in service provider registration workflows and approvals
- The volume numbers provided need clarification
 - action item Grant Check numbers with registration volume sources
 - Overall totals (not per organization)
 - New organizations vs. existing ones participating in new programs
 - Clarification on # of bank account changes/year

Updates:

- There are two service provider RFC registration paths
 - Contract counterparties/LDC-CFF etc.: mostly invisible to Market Registration
 - Adhoc (e.g. Fair Hydro Plan; SH): Market Registration involved for feasibility and coordinating → these are the risk are re unanticipated Market Registration workload
- The group identified some additional/related as-is controls for creation of organizations (e.g. in corporate Lawson)
 - Finance validates supplied HST #
