We have everybody set up. Let's move ahead but please do not discuss that we are meeting with the Ministry in the afternoon. We can confirm attendees on Monday based on availability.

If OEB is available wed it is ok to move it. Nimi can you pls check.

Mary Anne had suggested 2 different meetings, the first a higher level discussion of roles, which would be helpful for our accounting questions. I would prefer to have that meeting on tues am or wed so I have info that I can discuss with KPMG before thurs ministry meeting.

The second meeting with a more detailed discussion of RPP including LDC can happen late this week.

OK?

Kim: I am wondering if it might be better to push meeting with OEB out to Wednesday or Thursday after we have met with Ministry.
