Subject: For your review

Attachments: AMPCO IRs except 1 and 6.zip

Hi Fred:

I apologize for the delay – we were having some technical difficulties on our end with SharePoint.

Please find attached for your review, the following interrogatories:

- AMPCO (except interrogatory 1, 6)
- CME
- Environmental Defence (except interrogatory 3, 8)
- Society

There are comments throughout where I've asked our subject matter experts to elaborate further but this does give you the context as to where we are going with our responses.

I will send you another batch (hopefully the rest of them) tomorrow for your review.

Happy to discuss.

Cheers,

-Tam-
