Hi David, this looks good. One small suggestion to change policy to policies.

Thanks for the opportunity to review.

Susan, a draft letter to advise the OEB of the change re: Recognition of assets and liabilities subject to rate regulation and market accounts assets and liabilities is attached for your review. I borrowed from Note 3 of the draft 2016 statements Tam provided. It's written on the assumption that we'll provide this ahead of the Annual Report.
