Please in the new RRRP form H1 would have the ability to submit adjustments - I would advocate this type of recovery post July 1st.

Good morning Jeannette, as discussed, attached is the data we would like LDCs to submit via your portal. The highlighted portion are just internal notes and not meant to be included on the form itself.

Thanks again for your help on this. Let us know what timelines you folks are working towards in getting this up and running.

Thanks,
-Sunita
