Subject: IESO bill presentment exemption Reg 196/17

Kim, following on a similar process and rationale for the exemption given for OREC bill presentment (as attached), I've attached the letter to the Ministry (from you) to request an exemption from the Minister according to section 3 of Reg 196/17. I've spoken to Ministry staff and they've advised that a "no added language" approach is justified and they requested that we draft the Minister's response (draft attached, FYI). Once signed, I'll facilitate with the Ministry. As you know, we require a letter back from the Minister by early August.

Many thanks,
David
