Subject: IESO's Fees Case - Interrogatory re IESO support for OCCSDC

Hi Michael:

As discussed, below is the interrogatory that I mentioned to you from the Vulnerable Energy Consumers Coalition:

VECC IR#22

Please provide the external direction for IESO providing support to the Ontario Climate Change Solutions Deployment Corporation. If no such direction was given please explain why IESO is providing the described supports.

Re Fair Hydro, on another quick look, I didn't see any interrogatories on this but will let you know if I missed anything.

Cheers,
-Tam-
