Some comments from Reg Affairs for your consideration, layered on top of Lia's and Shawn's. For Thursday's BPWG meeting, if it would be helpful for us to provide some of the context that we provided at today's discussion for folks to consider as they update their individual business unit priorities, happy to do that. Let me know.

Thanks,
-Tam-

Hi all,
I have attached some comments and suggested edits for your consideration. I would suggest incorporating any edits we have before we send to broader BPWG.

Thanks,
Lia

Here is the previous outline that was developed in July. We can use it as a starting point for the discussion.
