Cathryne,

Tam and I spoke to Brian Hewson at the OEB on Friday regarding the OEB's interpretation of OREC. We would like to have a call with you to discuss next steps.

He also made the point that the provisions of OREC are enforceable provisions under the OEB Act and therefore the OEB's interpretation will prevail. Based on a quick look, I don't believe the provisions of the Fair Hydro Act were made enforceable provisions in the same way.

Possible next steps to discuss:

- Confirm this interpretation with the Ministry for both OREC and Fair Hydro.
- Obtain written confirmation from OEB regarding this interpretation.

Michael
