Subject: RE: RASC Meeting 2 Agenda and Material

Notice: External Email

Hello everyone,

Please find attached the agenda and material for the May 28th meeting. On the chapter 5 item, we are also circulating a book of appendices that we are considering for inclusion in the filing requirements. Your thoughts on whether these appendices will assist in focusing the information required in chapter 5, as well as how many of these could be mandatory vs optional would be helpful to hear.

Thanks to everyone for their suggestions on agenda items. Just a reminder that RASC is not intended to be a forum to discuss all current policy initiatives. I would be happy to provide brief status updates during the round table but there will not be subject matter experts available necessarily.

Thanks
Ted
