Hi Dan:

Sorry for not getting back to you earlier today. I had day 2 of settlement conferences on the IESO's 2018 fees application and was kept fully occupied on that all day. Our settlement discussions continue tomorrow but I was wondering if you might have time tomorrow morning to connect – perhaps 9:30? Otherwise, I can try to give you a call in the afternoon.

Let me know if that works for you.

Thanks,
-Tam-

Hi Tam, my name is Dan Gapic and I look after Regulatory Accounting for LDC's at the OEB. I left you a voicemail regarding Accounting Guidance that the OEB will be issuing to electricity distributors in Ontario we would like to run it by the IESO before issuing. There are specific reference to the IESO in the guidance and also excerpts from forms that distributors file. Attached is a draft settlements document regarding embedded generators that we seek your feedback on. We will also be sending you draft guidance regarding RPP settlements we would like your feedback on as well. Expecting to send that one to you next week. Can you please call me so I can give you further context before you circulate to others at the IESO for review,

kindest regards

Dan
