This is great. Thanks. I am supposed to go to Ottawa tomorrow at noon but I am going to get Kim to change my flight until later that night.

See you at 8:30 am.

Hi Terry,

There will be separate emails on the Monday GOF meeting and a less important Alliances and Marketing update from me. What follows are some of the items that need your attention Monday and this week or that are happening soon. Hopefully we've got it all.

- Nik, Rouselle and I were all planning to go with you to MOECC on Monday morning, 9 am. Please let us know if that is not what you were expecting.
- Suggesting meet at coffee shop at SW corner of Bay and Wellesley at 8:30. I will send a meeting invite.

- Market Renewal Executive Steering Committee – governance discussion this week
- Board materials due to ELT on Tuesday. Rouselle will only be getting everything from people on Monday to send to you.
- Special Board meeting August 15 from 4-5 – your name is on for Fair Hydro Plan communications. Also Lia and Jordan's name for Business Plan. With Jordan away, I'm not sure if that's you or Chuck.
- ECO report issued on Friday.

- 
- iCon – communications will be required for LDCs but more importantly some good cooperation between IT, CCR and LDCs to deal with this problem which is impacting some or all of the 35 LDCs that use the Temagami system.
 - Mid-term draft materials on Budgets and Targets topic shared with IESO. Nik will need to find time to review materials with Terry prior to posting on Thurs.
- 

- Peter would like to know more about CDM-IS project. Doug is on vacation and suggested you and Bill P. brief him. Nik's volunteering to be there with you.
