Subject: Meeting 3 Summary notes - Provincial Utility Leaders on Energy Efficiency

Gentlemen, I realize in putting these notes together that we managed to productively cover a lot of ground in the one-day meeting. The attached summary notes, from the August 31 meeting, are a little longer than usual, reflecting the extend of the discussions. The last page has the Action List developed throughout the day.

Please let me know if there any errors or omissions and if you have any comments/revisions.

All the best,

Andrew
