Subject: Your Presentation for November 2 LDC Event Next Week
Attachments: Nov 2 LDC Event_Terry Presentation v1.pptx

Hi Terry,

Please find attached a final draft of your presentation providing closing remarks at next week's LDC event on November 2.

The presentation re-emphasizes the IESO's priorities as a whole, summarizes all of the major activities in the first half of the framework (particularly in the past 12 months), recognizing our success, some of the change we have seen in the sector, and our objectives 2018 and beyond. The key points and some hard messages we want to convey around the changing roles of the IESO and LDCs, our evolving priorities, and other change we can expect are really fleshed out in the notes section of the deck. There are also a couple NTDs I will finalize once some updated information becomes available.

Will find some time to review with you tomorrow or early next week. Amy is also arranging a call with the leadership panel participants, which I will also prepare speaking notes based on the topic areas and questions. I anticipate it will be pretty similar to what you said at the AESP panel.

Thanks,
Rouselle
