Thanks, Terry. Has her replacement been named yet? If not, when might that happen?

Regarding the signatures of Mr. Gregg and Ms. Marshall on the IESO's 2017 annual financial statements, I wanted to check: Did either of those individuals receive an indemnification from the IESO or another Ontario government body regarding those signatures? I have no reason to think they did, I just wanted to double-check.

I'll likely be publishing a story about the Fair Hydro Plan's financial and accounting structure in the next week or so. Please let Ms. Marshall know that the interview invitation remains open, should she change her mind. Thanks and regards,

Matt.

Matt:

Kim is still our CFO and will be so until the end of April when she will be leaving the IESO. The departure of John Rattray will not impact your FOI requests.

Terry
