

SCHEDULE 2

FURTHER PROJECT SCHEDULE NO. _____

THIS FURTHER PROJECT SCHEDULE is effective as of the Effective Date set out below.

BETWEEN:

**INDEPENDENT ELECTRICITY SYSTEM OPERATOR
("IESO")**

- and —

**HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO AS
REPRESENTED BY THE MINISTER OF ENERGY
("MINISTRY OF ENERGY")**

RECITALS:

- A. The IESO and the Ministry of Energy (collectively the "**Parties**" and individually a "**Party**") have entered into a Master Common Interest Privilege Agreement dated as of March 14, 2016 (the "**Master Agreement**").
- B. The Master Agreement provides that the Parties may incorporate Further Projects (as defined in the Master Agreement) into the Master Agreement from time to time by executing and delivering Further Project Schedules.
- C. The Parties wish to incorporate this Further Project Schedule, and the Further Projects described below, into the Master Agreement.
- D. The Parties acknowledge and reaffirm that the Recitals set out in the body of the Agreement apply in respect of the Further Projects described below.

NOW THEREFORE for sufficient value received by each Party from the other Party, the Parties agree as follows:

FURTHER PROJECT DESCRIPTIONS:

- 1. Implementation of Ontario's Fair Hydro Plan, which includes:
 - a. Implementing the reduction of rates for eligible consumers through a smoothing of the Global Adjustment over time, including through the proposed amendment of legislation and regulations and other related implementation steps involving Ontario Power Generation Inc., and Ontario Energy Board;
 - b. Broadening Rural and Remote Rate Protection;
 - c. Enhancing the Ontario Electricity Support Program;
 - d. Expanding the Industrial Conservation Initiative; and
 - e. Other related programs and initiatives.
- 2. Supporting and Collaborating with Ministry of Energy, Ministry of Environment and Climate Change and Ontario Climate Change Solutions Deployment Corporation (OCCSDC) regarding :
 - a. establishing a website for the OCCSDC;

- b. related contact center support;
 - c. assistance with program design and delivery recommendations; and
 - d. a Province Wide Smart Thermostat Program.
3. Tennant Energy, LLC's notice of intent pursuant to Section B of NAFTA Chapter Eleven, including NAFTA proceedings if same are commenced.

GENERAL:

All capitalized terms not defined in this Further Project Schedule have the meanings given to them in the Master Agreement

From and after the Effective Date specified below, this Further Project Schedule, and the Further Project described above, shall be deemed to be incorporated into, and to form a part of, the Master Agreement.

This Further Project Schedule may be signed in counterparts and by facsimile, and all counterparts together shall constitute on and the same Further Project Schedule.

IN WITNESS OF THE FOREGOING, the Parties have executed and delivered this Further Project Schedule as of the Effective Date set out below.
