Hi Carolyn,

Do you have a few minutes for a call this morning? I know you are probably busy trying to complete this regulation. Subject is the Financing Entity's costs during moratorium period.

Regards,
Michael

My thanks as well for these comments. We very much appreciate them.

I note the comment under the heading "Miscellaneous" that the IESO needs regulations under ss. 23(1) and 24(1). We will put in some general language. However, if you propose specifically what you would like to see, we will incorporate it into our instructions to Legislative Counsel (on these and any other points that IESO needs addressed). We are trying to give you what IESO needs and specific proposals strike me as the best way to do it.

Thanks again.

Carolyn

Please let us know if there is anything you would like to discuss.

Hi, Michael. I really will need to send a further set of instructions to Leg. Counsel tomorrow so having your comments by end-of-day today would be very important. Does that timing seem workable to you and your colleagues at the IESO?

Thanks very much, Michael!
Best,

James

Confidential/Solicitor & Client Privileged

June 15, 2017

Good day, Michael. Please find attached the next draft of the "consultation draft" version of the proposed General Regulation, which (if approved) would be made under the Ontario Fair Hydro Plan Act, 2017.

Please do weigh in on the matters of primary interest to the IESO and, if possible, could we have some of your comments back by end of day Thursday to keep the drafting moving? We recognize that more comments would come in from the IESO after Thursday's meeting.

Thank you, and best regards.

James
