Hi James,

I think the concern from the IESO's perspective is that we will be required to commit now (in the Master Transfer and Servicing Agreement) to provide this security. It creates a funding risk for the IESO if we do not have a route to collect the LC costs from GA when we commit to provide the LC. This was a material issue when the IESO agreed to provide the LC.

Regards,
Michael

Thanks very much again, Michael – As I noted for Jeanette, would you consider whether there would be any issue for the IESO (or KPMG) if we deferred amending the GA until a future LRC?

Let us know your thoughts.

Best,
James

Hi James,

Jeannette just flagged another small change to the proposed 429/04 amending regulation. Rationale is to provide IESO authority to include amounts on LDC invoices as well as the invoice of the specified consumer that the IESO directly invoices. In what is section 10.5(1) (of the IESO draft), please amend it to read:

(1) The IESO shall make adjustments to add the amounts referred to in subsections 10.3 (1) and (2) to the amounts allocated by the IESO under section 11.

(2) Section 11 applies, with necessary modifications, to the adjustments made under subsection (1).

(3) For greater certainty, the IESO shall adjust the invoice that it issues to the market participants referred to in section 10.3 for the month by adding the amounts determined under subsections 10.3(1) and (2) as additional charges to the amounts, if any, of the global adjustment allocated to the consumers under this Regulation.

Hi James,

Attached are our proposed edits and comments. We have also made suggested changes in light of moving to the simplified approach (ie. non-GA recovery or carrying costs). Thank you for the opportunity to review.

Regards,

Michael

Good day, Michael. We are pleased to attach the updated draft proposals for amendments to O. Reg. 429/04 (Adjustments Re: Section 25.33 of the *Electricity Act, 1998*) and O. We appreciated the comments you provided to the Ministry and have taken on those that we felt were supportable by the legislation.

Please note: the draft which is ultimately produced by the office of legislative counsel may vary from the attached due to drafting protocols.

Best,

James
