1.04 Actions by Noteholders

(a) Any request, demand, authorization, direction, notice, consent, resolution, waiver or other action (collectively, an "**Action**") provided by this Indenture to be given or taken by Noteholders of any Class, Series or Tranche may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by an agent duly appointed in writing. In addition, any Action provided by this Indenture to be given or taken by such Noteholders may, alternatively, be embodied in and evidenced by the record of such Noteholders voting in favor thereof, either in person or by proxies duly appointed in writing, at any meeting of Noteholders duly called and held in accordance with the provisions of Article X or a combination of such instruments and any such record. Except as herein otherwise expressly provided, such Action will become effective when such instrument or instruments or record are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 1.04. The record of any meeting of Noteholders shall be proved in the manner provided in Article X.

(b) The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may be proved in any manner which the Indenture Trustee deems sufficient.

(c) (i) The ownership of Registered Notes will be proved by the Note Register.

(i) The ownership of Bearer Notes or coupons will be proved by the production of such Bearer Notes or coupons or by a certificate, satisfactory to the Issuer and the Indenture Trustee, executed, as depositary, by any bank, trust company, recognized securities dealer, as depositary, wherever situated, satisfactory to the Issuer. Each such certificate will be dated and will state that on the date thereof a Bearer Note or coupon bearing a specified serial number was deposited with or exhibited to such bank, trust company or recognized securities dealer by the Person named in such certificate. Any such certificate may be issued in respect of one or more Bearer Notes or coupons specified therein. The holding by the Person named in any such certificate of any Bearer Note specified therein will be presumed to continue for a period of one year from the date of such certificate unless at the time of any determination of such holding (A) another certificate bearing a later date is issued in respect of the same Bearer Note or coupon produced, (B) the Bearer Note or coupon specified in such certificate is produced by some other Person or (C) the Bearer Note or coupon specified in such certificate has ceased to be Outstanding.

(e) If the Issuer will solicit from the Noteholders any Action, the Issuer may, at its option, by an Issuer Certificate, fix in advance a record date for the determination of Noteholders entitled to give such Action, but the Issuer will have no obligation to do so. If the Issuer does not so fix a record date, such record date will be the later of 30 days before the first solicitation of such Action or the date of the most recent list of Noteholders furnished to the Indenture Trustee pursuant to Section 13.13 before such solicitation. Such Action may be given before or after the record date, but only the Noteholders of record at the close of business on the record date will be deemed to be Noteholders for the purposes of determining whether Noteholders of the requisite proportion of Outstanding Notes have authorized or agreed or consented to such Action, and for that purpose the Outstanding Notes will be computed as of the record date; provided that no such authorization, agreement or consent by the Noteholders on the record date will be deemed effective unless it will become effective pursuant to the provisions of this Indenture not later than 6 months after the record date.

(f) Any Action by a Noteholder will bind the holder of every Note issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon whether or not notation of such Action is made upon such Note.

(g) Without limiting the foregoing, a Noteholder entitled hereunder to take any Action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or Action taken by a Noteholder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Noteholders of each such different part.

(h) Without limiting the generality of the foregoing, unless otherwise specified pursuant to one or more Supplemental Indentures, a Noteholder, including a Depository that is the holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders, and a Depository that is the holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in or security entitlements to any such Global Note through such Depository's standing instructions and customary practices.

(i) The Issuer may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in or security entitlements to any Global Note held by a Depository entitled under the procedures of such Depository to make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders. If such a record date is fixed, the Noteholders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such Action, whether or not such Noteholders remain Noteholders after such record date. No such Action shall be valid or effective if made, given or taken more than six months after such record date.

1.05 Actions of Lenders

Any Action provided by this Indenture to be given or taken by any Lender or group of Lenders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Lender(s) in person or an agent duly appointed in writing. Proof of execution of any such instrument or of a writing appointing any such agent will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favour of the Indenture Trustee and the Issuer, if made in the manner provided in Section 1.04(b).

2.06 Powers Exercisable by Receiver or Indenture Trustee

In case the Collateral shall be in the possession of a receiver or trustee lawfully appointed, the powers conferred in this Article II upon the Issuer with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or of any officer or officers thereof required by the provisions of this Article II.

2.07 Determinations Relating to Collateral

In the event (i) the Indenture Trustee shall receive any written request from the Issuer for consent or approval with respect to any matter or thing relating to any Collateral or the Issuer's obligations with respect thereto, (ii) there shall be due to or from the Indenture Trustee under the provisions hereof any performance or the delivery of any instrument, or (iii) the Indenture

Trustee shall become aware of any nonperformance by the Issuer of any covenant or any breach of any representation or warranty of the Issuer set forth in this Indenture, then, in each such event, the Indenture Trustee shall be entitled to hire experts, consultants, agents and attorneys to advise the Indenture Trustee on the manner in which the Indenture Trustee should respond to such request or render any requested performance or response to such nonperformance or breach (the expenses of which will be reimbursed to the Indenture Trustee pursuant to Section 9.05). The Indenture Trustee will be fully protected in the taking of any action recommended or approved by any such expert, consultant, agent or attorney, or agreed to by Extraordinary Resolution.

2.08 Satisfaction and Discharge of Indenture

(a) The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to any Class, Series or Tranche of Issuer Funding Obligations or for any other purpose, pay, or by an Issuer Certificate direct any Paying Agent to pay, to the Indenture Trustee all sums held in trust by the Issuer or such Paying Agent in respect of each and every Class, Series or Tranche of Issuer Funding Obligations as to which it seeks to discharge this Indenture or, if for any other purpose, all sums so held in trust by the Issuer in respect of all Issuer Funding Obligations, such sums to be held by the Indenture Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent will be released from all further liability with respect to such money.

(b) This Indenture will cease to be of further effect with respect to any Class, Series or Tranche of Issuer Funding Obligations (except as to any surviving rights of transfer or exchange of Notes of that Class, Series or Tranche expressly provided for herein or in any form of Note for that Class, Series or Tranche), and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture as to that Class, Series or Tranche, when:

(i) (A) in the case of Notes, all Notes of that Class, Series or Tranche theretofore Outstanding (other than (x) Notes of that Class, Series or Tranche which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 16.05(b), and (y) Notes of that Class, Series or Tranche for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from that trust, as provided in Section 16.05(b)) have been delivered to the Indenture Trustee for cancellation or been cancelled, or (B) in the case of all other Issuer Funding Obligations, all Issuer Funding Obligations of that Class, Series or Tranche have been paid in full, as certified by the Issuer to the Indenture Trustee;

(ii) the Issuer has paid or caused to be paid all other sums payable under the Indenture (including payments to the Indenture Trustee pursuant to Section 9.05) by the Issuer with respect to the Issuer Funding Obligations of that Class, Series or Tranche; and

(iii) the Issuer has delivered to the Indenture Trustee an Issuer Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Issuer Funding Obligations of that Class, Series or Tranche have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any Class, Series or Tranche of Issuer Funding Obligations, the obligations of the Issuer to the Indenture Trustee with respect to that Class, Series or Tranche of Issuer Funding Obligations under Section 9.05 and the obligations of the Indenture Trustee under Sections 7.13 and 16.05(b) will survive such satisfaction and discharge.

(c) This Indenture will cease to be of further effect, and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture, when all Issuer Funding Obligations have been satisfied and discharged in accordance with clause (b) and all other Obligations Secured have been paid in full, as certified by the Issuer to the Indenture Trustee.

2.09 <u>Release of all Collateral</u>

(a) Subject to the payment of its fees and expenses pursuant to Section 9.05, the Indenture Trustee shall, at the request of the Issuer or when otherwise required by the provisions of this Indenture, execute instruments to release Collateral from the Security Interest of this Indenture, or convey the Indenture Trustee's interest (which is held by the Indenture Trustee for the benefit of the Specified Creditors) in the same, in a manner and under circumstances which are not inconsistent with the provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article II will be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any funds.

(b) Upon delivery of an Officer's Certificate of the Issuer certifying that all Issuer Funding Obligations and all other Obligations Secured have been satisfied and discharged by complying with the provisions of Section 2.08 and all applicable Program Agreements, the Indenture Trustee shall execute and deliver such releases, termination statements and other instruments (in recordable form, where appropriate) as the Issuer may reasonably request evidencing the termination of the Security Interest created by this Indenture.

(c) The Issuer and the Specified Creditors shall be entitled to receive at least 10 days' written notice when the Indenture Trustee proposes to take any action pursuant to clause (a), accompanied by copies of any instruments involved, and the Indenture Trustee shall also be entitled to require, as a condition to such action, an Opinion of Counsel, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

2.10 Certain Commercial Law Representations and Warranties

The Issuer hereby makes the following representations and warranties. Such representations and warranties shall survive until the termination of this Indenture. Such representations and warranties speak of the date that a Lien in the Collateral is granted to the Indenture Trustee and shall not be waived by any of the parties to this Indenture unless the Rating Agency Condition is satisfied.

(a) This Indenture constitutes the grant of a first priority perfected Lien by the Issuer to the Indenture Trustee in the Collateral which, in the case of the existing Collateral and the proceeds thereof, is enforceable upon execution and delivery of this Indenture or, with respect to after-acquired property, as of the date such property is acquired, and which will be enforceable with respect to the Collateral hereafter and thereafter created and the proceeds thereof upon such creation. Upon the filing of the assignments, financing statements and continuation statements (and other documents where applicable) and, in the case of after-acquired Collateral and the proceeds thereof, upon its creation, the Indenture Trustee shall have a first priority perfected Lien in such property and proceeds.

(b) At the time of its grant of any Lien in the Collateral pursuant to this Indenture, the Issuer owned and had good and marketable title to such Collateral free and clear of any Lien of any other Person (other than Permitted Liens).

(c) The Issuer has caused the filing of all appropriate financing statements in the proper filing office in the Province of Ontario under applicable law in order to perfect the Security Interest.

(d) Other than the Security Interest, the Issuer has not pledged, assigned, sold, granted a Lien in, or otherwise conveyed, the Collateral. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of the Collateral other than any financing statement relating to the Security Interest or that has been terminated. The Issuer is not aware of any judgment or Tax lien filings against the Issuer.

The Notes will have such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture or the Related Supplemental Indenture and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be required to comply with applicable laws or regulations or with the rules of any securities exchange, or as may, consistently herewith, be determined by the Issuer, as evidenced by the Issuer's execution of such Notes. Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

Definitive Notes will be typewritten, printed, lithographed or engraved or produced by any combination of these methods (with or without steel engraved borders) or may be produced in any other manner, all as determined by the Issuer, as evidenced by the Issuer's execution of such Notes, subject, with respect to the Notes of any Class, Series or Tranche, to the rules of any securities exchange on which such Notes are listed.

3.02 Forms of Notes

Before the delivery of a Note to the Indenture Trustee for authentication, the Issuer will deliver to the Indenture Trustee the Issuer Certificate by or pursuant to which such form of Note has been approved, which Issuer Certificate will have attached thereto a true and correct copy of the form of Note which has been approved thereby or, if an Issuer Certificate authorizes a specific officer or officers of the Manager to approve a form of Note, a certificate of such officer or officers approving the form of Note attached thereto. Any form of Note approved by or pursuant to an Issuer Certificate must be acceptable as to form to the Indenture Trustee, such acceptance to be evidenced by the Indenture Trustee's authentication of Notes in that form or a certificate signed by a Responsible Officer of the Indenture Trustee and delivered to the Issuer.

3.03 Form of Indenture Trustee's Certificate of Authentication

The form of Indenture Trustee's Certificate of Authentication for any Note issued pursuant to this Indenture will be substantially as follows:

3.04 <u>Notes Issuable in the Form of a Global Note</u>

(a) If the Issuer establishes that the Notes of a particular Class, Series or Tranche are to be issued in whole or in part in the form of one or more Global Notes, then the Issuer will execute and the Indenture Trustee or its agent will, in accordance with Section 4.03 and the Issuer Certificate delivered to the Indenture Trustee or its agent thereunder, authenticate and deliver, such Global Note or Global Notes, which, unless otherwise provided in the Related Supplemental Indenture (i) will represent, and will be denominated in an amount equal to the aggregate Stated Principal Amount (or in the case of Discount Notes, the aggregate Stated Principal Amount at the Principal Payment Date of such Notes) of the Outstanding Notes of such Class, Series or Tranche to be represented by such Global Note or Global Notes, or such portion thereof as the Issuer will specify in an Issuer Certificate, (ii) in the case of Registered Notes, will be registered in the name of the Depository for such Global Note or Global Notes or its nominee, (iii) will be delivered by the Issuer or its agent to the Depository or pursuant to the Depository's instruction, (iv) if applicable, will bear a legend substantially to the following effect: (A) "Unless this Note is presented by an authorized representative of The Depository Trust Company ("**DTC**"), to Fair Hydro Trust (the "**Issuer**") or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any Person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest herein", or (B) "Unless this Note is presented by an authorized representative of CDS Clearing and Depository Services Inc. ("**CDS**"), to Fair Hydro Trust (the "**Issuer**") or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of CDS & Co. or in such other name as is requested by an authorized representative of CDS (and any payment is made to CDS & Co. or to such other entity as is requested by an authorized representative of CDS), any transfer, pledge or other use hereof for value or otherwise by or to any Person is wrongful since the registered owner hereof, CDS & Co., has a property interest in the securities represented by this Note and it is a violation of its rights for another Person to hold, transfer or deal with this Note", and (v) may bear such other legend as the Issuer, upon advice of counsel, deems to be applicable.

(b) Notwithstanding any other provisions of this Section 3.04 or of Section 4.05, and subject to the provisions of paragraph (c) below, unless the terms of a Global Note or the Related Supplemental Indenture expressly permit such Global Note to be exchanged in whole or in part for individual Notes, a Global Note may be transferred, in whole but not in part and in the manner provided in Section 4.05, only to a nominee of the Depository for such Global Note, or to the Depository, or a successor Depository for such Global Note selected or approved by the Issuer, or to a nominee of such successor Depository.

(c) With respect to Notes issued within the United States or Canada, unless otherwise specified in the Related Supplemental Indenture, or with respect to Notes issued outside the United States and Canada, if specified in the Related Supplemental Indenture:

(i) If at any time the Depository for a Global Note notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or if at any time the Depository for the Notes for such Class, Series or Tranche ceases to be a clearing agency registered under the Securities Exchange Act, or other applicable statute or regulation, in the case of Notes issued within the United States, or ceases to be a clearing agency registered under the *Securities Act* (Ontario), or other applicable statute or regulation, in the case of Notes issued within Canada, the Issuer will appoint a successor Depository with respect to such Global Note. If a successor Depository for such Global Note is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such ineligibility, the Issuer will execute, and the Indenture Trustee or its agent, upon receipt of an Issuer Certificate requesting the authentication and delivery of individual Notes of such Class, Series or Tranche in exchange for such Global Note, will authenticate and deliver, individual Notes of such Class, Series or Tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of the Global Note in exchange for such Global Note.

(ii) The Issuer may at any time and in its sole discretion determine that the Notes of any Class, Series or Tranche or portion thereof issued or issuable in the form of one or more Global Notes will no longer be represented by such Global Note or Global Notes. In such event the Issuer will execute, and the Indenture Trustee, upon receipt of a written request by the Issuer for the authentication and delivery of individual Notes of such Class, Series or Tranche in exchange in whole or in part for such Global Note, will authenticate and deliver individual Notes of such Class, Series or

Tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of such Global Note or Global Notes representing such Class, Series or Tranche or portion thereof in exchange for such Global Note or Global Notes.

(iii) If any Event of Default has occurred and is continuing and Noteholders holding more than 50% of the Outstanding Dollar Principal Amount of the Controlling Class Obligations of any Series of Notes held as Global Notes advise the Indenture Trustee and the Depository that Global Notes are no longer in the best interest of the Noteholders of that Series, the holders of those Global Notes may exchange such Notes for individual Notes.

(iv) In any exchange provided for in any of the preceding three paragraphs, the Issuer will execute and the Indenture Trustee or its agent will authenticate and deliver individual Notes in definitive registered form in authorized denominations. Upon the exchange of the entire Stated Principal Amount of a Global Note for individual Notes, such Global Note will be canceled by the Indenture Trustee or its agent. Except as provided in the preceding paragraphs, Notes issued in exchange for a Global Note pursuant to this Section 3.04 will be registered in such names and in such authorized denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, will instruct the Indenture Trustee or the Note Registrar. The Indenture Trustee or the Note Registrar will deliver such Notes to the Persons in whose names such Notes are so registered.

3.05 Temporary Global Notes and Permanent Global Notes

(a) If specified in the Related Supplemental Indenture for any Series, all or any portion of a Global Note may initially be issued in the form of a single temporary global Bearer Note or Registered Note (the "**Temporary Global Note**"), without interest coupons, in the denomination of the entire aggregate principal amount of such Series and substantially in the form set forth in the exhibit with respect thereto attached to the Related Supplemental Indenture. Any Temporary Global Note shall bear such notations as the Issuer may determine to distinguish them from the Permanent Global Notes. The Temporary Global Note will be authenticated by the Indenture Trustee upon the same conditions, in substantially the same manner and with the same effect as the Notes in definitive form. The Temporary Global Note may be exchanged as described below or in the Related Supplemental Indenture for permanent global Bearer Notes or Registered Notes (the "**Permanent Global Notes**").

(b) Unless otherwise provided in the Related Supplemental Indenture, exchanges of beneficial interests in or security entitlements to Temporary Global Notes for beneficial interests in or security entitlements to Permanent Global Notes will be made as provided in this subsection 3.05(b). The Manager will, upon its determination of the date of completion of the distribution of the Notes of such

Series, so advise the Indenture Trustee, the Issuer and the Depository forthwith. Without unnecessary delay, but in any event not prior to the Exchange Date, the Issuer will execute and deliver to the Indenture Trustee Permanent Global Notes in bearer or registered form (as specified in the Related Supplemental Indenture) in an aggregate principal amount equal to the Outstanding Dollar Principal Amount or the Outstanding Currency Specific Dollar Principal Amount of such Series of Notes. Bearer Notes so issued and delivered may have coupons attached. The Temporary Global Note may be exchanged for an equal aggregate principal amount of Permanent Global Notes only on or after the Exchange Date; provided, however, that such Temporary Global Note is accompanied by a certificate dated the Exchange Date or a subsequent date and signed by the beneficial owner as to the portion of such Temporary Global Note held for its account then to be exchanged and a certificate dated the Exchange Date or a subsequent date and signed by the Depository in the form set forth in Exhibit 6-B (or in such other form as may be established pursuant to Section 4.01); and provided further that definitive Bearer Notes shall be delivered in exchange for a portion of a Temporary Global Note only in compliance with the requirements of Section 4.03. A beneficial owner of a Temporary Global Note may instruct the Depository to request an exchange on its behalf on or after the Exchange Date by delivering to the Depository, a certificate in the form set forth in Exhibit 6-A (or in such other form as may be established pursuant to Section 4.01), dated no earlier than 15 days prior to the Exchange Date, copies of which certificate shall be available from the offices of the Depository. A United States Person may exchange its beneficial interest in or security entitlement to the Temporary Global Note only for an equal aggregate principal amount of Permanent Global Notes in registered form bearing the applicable legend set forth in the form of Registered Note attached to the Related Supplemental Indenture and having a minimum denomination of 500,000 units of the applicable currency, which may be in temporary form if the Issuer so elects. The Issuer may waive the 500,000 minimum denomination requirement if it so elects. Upon any demand for exchange for Permanent Global Notes in accordance with this subsection 3.05(b), the Issuer will cause the Indenture Trustee to authenticate and deliver the Permanent Global Notes to the Noteholder (x) outside United States, in the case of Bearer Notes and (y) according to the instructions of the Noteholder, in the case of Registered Notes. Upon receipt of the certification of the Depository, the Indenture Trustee will cause the Temporary Global Note to be endorsed in accordance with subsection 3.05(d). Any exchange as provided in this Section 3.05 will be made free of charge to the Noteholders and the beneficial owners of the Temporary Global Note and to the beneficial owners of the Permanent Global Note issued in exchange, except that a Person receiving the Permanent Global Note must bear the cost of insurance, postage, transportation and the like in the event that such Person does not receive such Permanent Global Note in person at the offices of a Depository.

(c) The delivery to the Indenture Trustee by a Depository of any written statement referred to above may be relied upon by the Issuer and the Indenture Trustee as conclusive evidence that a corresponding certification or certifications has or have been delivered to such Foreign Depository pursuant to the terms of this Indenture.

(d) Upon any such exchange of all or a portion of the Temporary Global Note for a Permanent Global Note(s), such Temporary Global Note will be endorsed by or on behalf of the Indenture Trustee to reflect the reduction of its principal amount by an amount equal to the aggregate principal amount of such Permanent Global Note(s). Until so exchanged in full, such Temporary Global Note will in all respects be entitled to the same benefits under this Indenture as Permanent Global Notes authenticated and delivered hereunder except that the beneficial owners of such Temporary Global Note will not be entitled to receive payments of interest on the Notes until they have exchanged their beneficial interests in or security entitlements to such Temporary Global Note for Permanent Global Notes.

3.06 <u>Beneficial Ownership of Global Notes</u>

Until definitive Notes have been issued to the applicable Noteholders pursuant to Section 3.04 or as otherwise specified in any Related Supplemental Indenture:

(a) the Issuer and the Indenture Trustee may deal with the applicable Depository and the Depository's participants for all purposes (including the making of distributions) as the authorized representatives of the respective Note Owners; and

(b) the rights of the respective Note Owners will be exercised only through the Depository and the Depository's participants. Unless and until Notes in definitive form are issued pursuant to Section 3.04, the Depository will make book-entry transfers among the Depository's participants and receive and transmit distributions of principal and interest on the related Notes to such Depository's participants in accordance with the Depository's applicable procedures from time to time.

For purposes of any provision of this Indenture requiring or permitting Actions with the consent of, or at the direction of, Noteholders evidencing a specified percentage of the Outstanding Dollar Principal Amount of Notes, such direction or consent may be given by Note Owners (acting through the Depository and the Depository's participants) owning interests in or security entitlements to Notes evidencing the requisite percentage of principal amount of Notes in accordance with the applicable procedures of the Depository and the Depository's participants.

3.07 <u>Notices to Depository</u>

Whenever any notice or other communication is required to be given to Noteholders with respect to which book-entry Notes have been issued, unless and until Notes in definitive form will have been issued to the related Note Owners, the Indenture Trustee will give all such notices and communications to the applicable Depository.

3.08 CUSIP Numbers

In issuing the Notes, the Issuer may use "CUSIP" numbers (if then generally in use), and, if so, the Indenture Trustee shall use such CUSIP numbers in notices of redemption as a convenience to Noteholders; provided that, subject to Section 9.01, any such notice may state that (a) no representation is made as to the correctness of such CUSIP numbers as printed on the related Notes or as contained in any notice of redemption, (b) reliance may be placed only on the other identification numbers, if any, printed on the Notes and (c) any such redemption shall not be affected by any defect in or omission of such CUSIP numbers. The Issuer will promptly provide the Indenture Trustee with written notice of any change in the CUSIP numbers for any Outstanding Note.

ARTICLE IV
THE NOTES

4.01 General Title, General Limitations, Issuable in Series, Terms of a Series or Tranche of Notes

(a) The aggregate Stated Principal Amount of Notes which may be authenticated and delivered and Outstanding under this Indenture is not limited.

(b) The Notes of any Class may be issued in one or more Series or Tranches.

(c) The Classes of Notes are as set forth in this Indenture. Each Note issued must be part of a Class and Series of Notes for purposes of allocations pursuant to this Indenture and the Related Supplemental Indenture. A Series of Notes is created pursuant to a Supplemental Indenture. A Tranche of Notes is created pursuant to a Supplemental Indenture or pursuant to a Terms Document related to the Supplemental Indenture for the applicable Series.

(d) Each Series of Notes shall be designated in the Related Supplemental Indenture as either Senior Notes, Subordinated Notes or Junior Subordinated Notes. If the Notes of a Series of Notes belong to different Tranches, all Notes of such Series, without regard to the Tranche they are included in, shall be Senior Notes, Subordinated Notes or Junior Subordinated Notes, as applicable to the Series of Notes.

(e) Each Series of Notes may consist of a single Tranche or may be subdivided into multiple Tranches. Notes of a single Series of a Class will belong to different Tranches if they have different terms and conditions. With respect to any Series of Notes, Notes which have identical terms, conditions and Tranche designation will be deemed to be part of a single Tranche of Notes.

(f) Before the initial issuance of Notes of each Series or Tranche, there shall also be established in or pursuant to a Supplemental Indenture or pursuant to a Terms Document related to the applicable Supplemental Indenture, provision for:

(i) the Class of such Series;

(ii) the Series designation;

(iii) the Stated Principal Amount of the Notes;

(iv) whether such Notes are of a particular Tranche of Notes;

(v) the currency or currencies in which such Notes will be denominated and in which payments of principal of, and interest on, such Notes will or may be payable;

(vi) the price or prices at which such Series or Tranche of Notes will be issued;

(vii) the times at which such Series or Tranche of Notes may, pursuant to any optional redemption provisions, be redeemed, and the other terms and provisions of any such redemption;

(viii) the rate per annum at which such Series or Tranche of Notes will bear interest, if any, or the formula or index on which such rate will be determined, including all relevant definitions, and the date from which interest will accrue;

(ix) each Interest Payment Date, each Principal Payment Date and the Principal Payment Default Date for such Series or Tranche of Notes;

(x) the Principal Accumulation Date for such Series of Notes;

(xi) the Principal Accumulation Amounts for such Series of Notes;

(xii) the Initial Dollar Principal Amount or the Initial Currency Specific Dollar Principal Amount of such Notes, and the means for calculating the Outstanding Dollar Principal Amount or the Outstanding Currency Specific Dollar Principal Amount, as applicable, of such Series or Tranche of Notes;

(xiii) whether or not application will be made to list such Series or Tranche of Notes on any securities exchange;

(xiv) any events of default with respect to such Series or Tranche of Notes;

(xv) if such Series or Tranche of Notes will be issued in whole or in part in the form of a Global Note or Global Notes, the terms and conditions, if any, upon which such Global Note or Global Notes may be exchanged in whole or in part for other individual Notes, and the Depository for such Global Note or Global Notes;

(xvi) if such Series or Tranche of Notes will be issued in whole or in part as Registered Notes, Bearer Notes or both, whether such Series or Tranche of Notes are to be issued with or without coupons or both;

(xvii) if such Series or Tranche of Notes are to have the benefit of any Credit Enhancement Agreement or Liquidity Agreement, the terms and provisions of the applicable agreement;

(xviii) the Record Date for any Interest Payment Date or Principal Payment Date of such Series or Tranche of Notes, if different from the last day of the month before the related Interest Payment Date or Principal Payment Date;

(xix) whether and under what conditions, additional amounts will be payable to Noteholders of such Series or Tranche of Notes;

(xx) **[whether and under what conditions, the obligations of the Issuer under such Series or Tranche of Notes may be assumed or exchanged, and the form of assumption or exchange agreement applicable to such Series or Tranche of Notes]**; and

(xxi) any other terms of such Notes as stated in the Related Supplemental Indenture;

all upon such terms as may be determined in or pursuant to the Related Supplemental Indenture.

(g) The Notes of each Class, Series or Tranche will be distinguished from the Notes of each other Class, Series or Tranche in such manner, reasonably satisfactory to the Indenture Trustee, as the Issuer may determine.

(h) Any terms or provisions in respect of the Notes of any Class, Series or Tranche issued under this Indenture may be determined pursuant to this Section 4.01 by providing in the Related Supplemental Indenture for the method by which such terms or provisions will be determined.

4.02 Denominations

The Notes of each Series or Tranche will be issuable in such denominations and currency as will be provided in the provisions of this Indenture or in or pursuant to the Related Supplemental Indenture. In the absence of any such provisions with respect to the Registered Notes of any Series or Tranche, the Registered Notes of that Series or Tranche will be issued in denominations of 100,000 units of the applicable currency and integral multiples of 1,000. In the absence of any such provisions with respect to the Bearer Notes of any Series or Tranche, the Bearer Notes of that Series or Tranche will be issued in denominations of 1,000, 5,000, 50,000 and 100,000 units of the applicable currency.

4.03 Execution, Authentication and Delivery and Dating

(a) The Notes will be executed on behalf of the Issuer by a Responsible Officer of the Issuer. The signature of any Responsible Officer of the Issuer on the Notes may be manual or facsimile or may be given by other electronic means.

(b) Notes bearing the manual, facsimile or other electronic signatures of individuals who were at any time a Responsible Officer of the Issuer will bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices before the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Indenture Trustee for authentication; and the Indenture Trustee will, upon request by an Issuer Certificate, authenticate and deliver such Notes as provided in this Indenture and not otherwise; provided that, unless otherwise specified with respect to any Series or Tranche of Notes pursuant to Section 4.01, a Bearer Note may be delivered in connection with its original issuance only if the Person entitled to receive such Bearer Note shall have furnished a certificate in the form set forth in Exhibit 6-A, dated no earlier than 15 days prior to the earlier of the date on which such Bearer Note is delivered and the date on which any temporary Note first becomes exchangeable for such Bearer Note in accordance with the terms of such temporary Note and this Indenture. Except as permitted by Section 4.06, the Indenture Trustee shall not authenticate and deliver any Bearer Note unless all appurtenant coupons for interest then matured have been detached and cancelled.

(d) Before any such authentication and delivery, the Indenture Trustee will be entitled to receive, in addition to any Officer's Certificate and Opinion of Counsel required to be furnished to the Indenture Trustee pursuant to Section 1.02, the Issuer Certificate and any other opinion or certificate relating to the issuance of the Series or Tranche of Notes required to be furnished pursuant to Section 3.02 or Article V.

(e) The Indenture Trustee will not be required to authenticate such Notes if the issue thereof will adversely affect the Indenture Trustee's own rights, duties or immunities under the Notes and this Indenture.

(f) Unless otherwise provided in the form of Note for any Series or Tranche, all Notes will be dated the date of their authentication.

(g) No Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a Certificate of Authentication executed by the Indenture Trustee by manual signature of an authorized signatory, and such certificate upon any Note will be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

4.04 <u>Temporary Notes</u>

(a) Pending the preparation of definitive Notes of any Series or Tranche, the Issuer may execute, and, upon receipt of the documents required by Section 4.03, the

Indenture Trustee will authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Issuer may determine, as evidenced by the Issuer's execution of such Notes. Any temporary Note shall bear such notations as the Issuer may determine to distinguish them from the definitive Notes.

(b) If temporary Notes of any Series or Tranche are issued, the Issuer will cause definitive Notes of such Series or Tranche to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes of such Series or Tranche will be exchangeable for definitive Notes of such Series or Tranche upon surrender of the temporary Notes of such Series or Tranche at the office or agency of the Issuer in a Place of Payment, without charge to the Noteholder; and upon surrender for cancellation of any one or more temporary Notes, the Issuer will execute and the Indenture Trustee will authenticate and deliver in exchange therefor a like Stated Principal Amount of definitive Notes of such Series or Tranche of authorized denominations and of like tenor and terms. Until so exchanged, the temporary Notes of such Series or Tranche will in all respects be entitled to the same benefits under this Indenture as definitive Notes of such Series or Tranche.

4.05 Registration, Transfer and Exchange

(a) The Issuer will keep or cause to be kept a register (herein sometimes referred to as the "**Note Register**") in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Registered Notes, or of Registered Notes of a particular Class, Series or Tranche, and for transfers of Registered Notes or of Registered Notes of such Class, Series or Tranche. Any such register will be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times, the information contained in such register or registers will be available for inspection by the Indenture Trustee at the office or agency to be maintained by the Issuer as provided in Section 13.03.

(b) Subject to Section 3.04, upon surrender for transfer of any Registered Note of any Class, Series or Tranche at the office or agency of the Issuer in a Place of Payment, the Issuer will execute, and, upon receipt of such surrendered Note, the Indenture Trustee will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Notes of such Class, Series or Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Principal Payment Date(s) and Principal Payment Default Date and of like terms.

(c) Subject to Section 3.04, at the option of the Noteholder, Notes of any Class, Series or Tranche may be exchanged for other Notes of such Class, Series or

Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Principal Payment Date(s) and Principal Payment Default Date and of like terms, upon surrender of the Notes to be exchanged at the office or agency of the Issuer in a Place of Payment. Registered Notes, including Registered Notes received in exchange for Bearer Notes, may not be exchanged for Bearer Notes. At the option of the holder of a Bearer Note, subject to applicable laws and regulations, Bearer Notes may be exchanged for other Bearer Notes or Registered Notes (of the same Class, Series and Tranche of Notes) of authorized denominations of like aggregate fractional undivided interests in the Noteholders' interest, upon surrender of the Bearer Notes to be exchanged at an office or agency of the Note Registrar located outside the United States. Each Bearer Note surrendered pursuant to this Section 4.05 will have attached thereto all unmatured coupons; provided, however, that any Bearer Note, so surrendered after the close of business on the last day of the month preceding the relevant Interest Payment Date need not have attached the coupon relating to such Interest Payment Date. Whenever any Notes are so surrendered for exchange, the Issuer will execute, and the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), the Notes which the Noteholders making the exchange are entitled to receive.

(d) All Notes issued upon any transfer or exchange of Notes will be the valid and legally binding obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(e) Every Note presented or surrendered for transfer or exchange will (if so required by the Issuer or the Indenture Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Note Registrar duly executed, by the Noteholder or his attorney duly authorized in writing.

(f) Unless otherwise provided in the Note to be transferred or exchanged, no service charge will be made on any Noteholder for any transfer or exchange of Notes, but the Issuer may (unless otherwise provided in such Note) require payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in connection with any transfer or exchange of Notes before the transfer or exchange will be complete, other than exchanges pursuant to Section 4.04 or Section 11.05 not involving any transfer.

(g) None of the Issuer, the Note Registrar or the Indenture Trustee shall be required (i) to issue, register the transfer of or exchange any Notes of any Class, Series or Tranche during a period beginning at the opening of business 15 days before the day of selection of Notes of such Class, Series or Tranche to be redeemed and ending at the close of business on (A) if Notes of such Class, Series or Tranche are issuable only as Registered Notes, the day of the mailing of the relevant notice of redemption of Registered Notes of such Class, Series or Tranche so selected for redemption or (B) if Notes of the Class, Series or Tranche are issuable as Bearer

Notes, the day of the first publication of the relevant notice of redemption or, if Notes of the Class, Series or Tranche are also issuable as Registered Notes and there is no publication, the mailing of the relevant notice of redemption or (ii) to register the transfer or exchange of any Notes or portions thereof so selected for redemption.

(h) Notwithstanding anything herein to the contrary, the exchange of Bearer Notes into Registered Notes shall be subject to applicable laws and regulations in effect at the time of exchange; none of the Issuer, the Indenture Trustee or the Note Registrar shall exchange any Bearer Notes into Registered Notes if it has received an Opinion of Counsel that as a result of such exchanges the Issuer would suffer adverse consequences under the Canadian or United States federal income tax laws and regulations then in effect, or the income tax laws of the jurisdiction of the holder of the Bearer Note, and the Issuer has delivered to the Indenture Trustee an Issuer Certificate directing the Indenture Trustee not to make such exchanges unless and until the Indenture Trustee receives a subsequent Issuer Certificate to the contrary. The Issuer shall deliver copies of such Issuer Certificates to the Note Registrar.

(i) None of the Issuer, the Indenture Trustee, any agent of the Indenture Trustee, any Paying Agent or the Note Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership.

(j) The Issuer initially appoints the Indenture Trustee to act as Note Registrar for the Registered Notes on its behalf. The Issuer may at any time and from time to time authorize any Person to act as Note Registrar in place of the Indenture Trustee with respect to any Class, Series or Tranche of Notes issued under this Indenture.

(k) Registration of transfer of Notes containing the following legend or to which the following legend is applicable:

THIS NOTE HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), OR ANY OTHER APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT IN ACCORDANCE WITH THE TRUST INDENTURE AND THE INDENTURE SUPPLEMENT AND PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT.

will be effected only if such transfer is made pursuant to an effective registration statement under the U.S. Securities Act, or is exempt from the registration requirements under the U.S. Securities Act. In the event that registration of a transfer is to be made in reliance upon an exemption from the registration requirements under the U.S. Securities Act other than Rule 144A under the U.S. Securities Act or Rule 903 or Rule 904 of Regulation S under the U.S. Securities Act, the transferor or the transferee will deliver, at its expense, to the Issuer and the Indenture Trustee, an investment letter from the transferee, substantially in a form appended to a Supplemental Indenture authorizing the applicable Series of Notes or such other form as the Issuer may determine, and no registration of transfer will be made until such letter is so delivered.

Notes issued upon registration or transfer of, or Notes issued in exchange for, Notes bearing the legend referred to above will also bear such legend and any other legends required by the Related Supplemental Indenture unless the Issuer, the Indenture Trustee and the Note Registrar receive an Opinion of Counsel, satisfactory to each of them, to the effect that such legend may be removed.

Whenever a Note containing the legend referred to above is presented to the Note Registrar for registration of transfer, the Note Registrar will promptly seek instructions from the Issuer regarding such transfer and will be entitled to receive an Issuer Certificate prior to registering any such transfer. The Issuer hereby agrees to indemnify the Note Registrar and the Indenture Trustee and to hold each of them harmless against any loss, liability or expense incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by them in relation to any such instructions furnished pursuant to this clause. The Indenture Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture, the Related Supplemental Indenture, or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(l) By acquiring a Note, each Noteholder that is a United States Person will be deemed to represent, warrant and covenant that either: (i) it is not acquiring the Note (or any interest therein) with the assets of a Benefit Plan or a governmental, church or non-U.S. plan that is subject to any federal, state, local or other non-U.S. law that is substantially similar to Section 406 of ERISA or Section 4975 of the Internal Revenue Code ("**Similar Law**"); or (ii) (A) the Note is rated at least "BBB-" or its equivalent by a nationally recognized statistical rating agency at the time of purchase or transfer, and (B) the acquisition, holding and disposition of the Note will not give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Internal Revenue Code or a violation of any Similar Law.

4.06 Mutilated, Destroyed, Lost and Stolen Notes

(a) If (i) any mutilated Note (together, in the case of Bearer Notes, with all unmatured coupons, if any, appertaining thereto) is surrendered to the Indenture Trustee or the Note Registrar, or the Issuer, the Note Registrar or the Indenture Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Issuer, the Note Registrar or the Indenture Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer, the Note Registrar or the Indenture Trustee that such Note has been acquired by a protected purchaser, the Issuer will execute and upon its request the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of like tenor, Class, Series or Tranche, Principal Payment Date(s), Principal Payment Default Date and Stated Principal Amount, bearing a number not contemporaneously Outstanding.

(b) In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

(c) Upon the issuance of any new Note under this Section 4.06, the Issuer may require the payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Indenture Trustee) connected therewith.

(d) Every new Note issued pursuant to this Section 4.06 in lieu of any destroyed, lost or stolen Note will constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Note will be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class, Series or Tranche duly issued hereunder.

(e) The provisions of this Section 4.06 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

4.07 Persons Entitled to Payment

(a) Unless otherwise provided with respect to such Note pursuant to Section 4.01, interest payable on any Registered Note will be paid to the Person in whose name that Note is registered at the close of business on the most recent Record Date and interest payable on any Bearer Note will be paid to the bearer of that Note (or the applicable coupon).

(b) Subject to clause (a), each Note delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Note will carry the rights to interest accrued or principal accreted and unpaid, and to accrue or accrete, which were carried by such other Note.

(c) Title to any Bearer Note, including any coupons appertaining thereto, shall pass by delivery. The Issuer, the Indenture Trustee, the Manager and any agent of the Issuer, the Indenture Trustee or the Manager may treat the Person who is proved to be the owner of such Note pursuant to subsection 1.04(c) as the owner of such Note for the purpose of receiving payment of principal of and (subject to this Section 4.07) interest on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Issuer, the Indenture Trustee, the Manager or any agent of the Issuer, the Indenture Trustee or the Manager will be affected by notice to the contrary.

(d) Delivery of a Note to the Paying Agent by the holder of such Note shall, upon payment thereof, be a good discharge to the Issuer of all obligations evidenced by such Note. The Paying Agent shall not be bound to enquire into the title of any such Noteholder, save as ordered by a court of competent jurisdiction or as required by statute, nor shall it be bound to see to the execution of any trust affecting the ownership of any Note or be affected by notice of any equity that may be subsisting in respect thereof.

(e) Any payment of principal or interest on any Note which is due on a day other than a Business Day shall be payable on the next succeeding Business Day without adjustment for interest thereon and such payment shall be deemed to have been made with the same force and effect as if made on the due date.

(f) Upon the Paying Agent's reasonable request therefor, the Issuer will (i) provide the Paying Agent with any information in its possession or (ii) assist the Paying Agent (to the extent necessary and it is commercially reasonable for the Issuer to do so) to obtain information, in each case, to the extent such information is required by the Paying Agent to comply with its tax reporting and withholding obligations under applicable law with respect to payments to be made to Specified Creditors pursuant to this Indenture and the other Program Agreements, unless the Issuer is prohibited from doing so by applicable law or an obligation of confidentiality by which the Issuer is bound.

4.08 <u>Protection of Notes</u>

(a) The Indenture Trustee shall hold in safekeeping the Notes which have not been issued (but which have been delivered to the Indenture Trustee by or on behalf of the Issuer) pending receipt of an Issuer Certificate. The Indenture Trustee shall acknowledge receipt of the Notes so delivered by signing and returning to the Issuer an acknowledgement of receipt of the Notes, such acknowledgement to be in a form satisfactory to the Issuer.

(b) The Indenture Trustee's responsibility for any Notes held in its custody hereunder shall be limited to using the same diligence in physically safeguarding such Notes as it does for its own securities. The Indenture Trustee shall account for the unissued Notes held in its custody whenever so required by the Issuer. If at any time the Indenture Trustee shall discover that any of such Notes have been lost, damaged, destroyed, stolen or misappropriated, it shall promptly advise the Issuer thereof and identify, to the extent practicable, such Notes.

4.09 Additional Issuances of Notes

(a) There are no restrictions on the timing or amount of any additional issuance of Notes of an Outstanding Series or Tranche of Notes, so long as the conditions described in Article V are satisfied. As of the date of any additional issuance of Notes of an Outstanding Series or Tranche of Notes, the Stated Principal Amount and Outstanding Dollar Principal Amount of that Series or Tranche will be increased to reflect the principal amount of the additional Notes. If the additional Notes are a Series or Tranche of Notes that has the benefit of a Derivative Agreement, the Issuer will enter into a Derivative Agreement for the benefit of the additional Notes. In addition, if the additional Notes are a Series or Tranche of Notes that has the benefit of any Credit Enhancement Agreement or Liquidity Agreement, the Issuer will enter into a Credit Enhancement Agreement or Liquidity Agreement, as applicable, for the benefit of the additional Notes.

(b) When issued, the additional Notes of a Series or Tranche will be identical in all respects to the other Outstanding Notes of that Series or Tranche and will be equally and ratably entitled to the benefits of this Indenture and the Related Supplemental Indenture as the other Outstanding Notes of that Series or Tranche without preference, priority or distinction; provided, however, that if such additional Notes are not fungible with such other Outstanding Notes for United States federal income tax purposes, then such additional Notes shall have a separate ISIN, CUSIP or other identifying number from such other Outstanding Notes.

4.10 Redemption of Notes

(a) Subject to Section 13.24, if the Related Supplemental Indenture for a Series or Tranche of Notes specifies that the Notes of such Series or Tranche will be redeemable, in whole at any time or in part from time to time, such Notes may be redeemed at a redemption price (the "**Redemption Price**") provided for in such Related Supplemental Indenture. In case of any redemption, the provisions of this Section 4.10 shall apply except to the extent provided otherwise in such Related Supplemental Indenture.

(b) The Redemption Price, plus accrued and unpaid interest and other amounts (if any) due thereon to the redemption date, will be payable upon presentation and surrender of the Notes called for redemption at any of the places where the principal of such Series or Tranche of Notes is expressed to be payable and at any other places specified in the notice of redemption.

(c) If less than all the Notes of any Series or Tranche are to be redeemed at one time, the Notes of such Series or Tranche to be redeemed will be selected by the Indenture Trustee on a *pro rata* basis, disregarding fractions, according to the principal amount of Notes registered in the name of each Noteholder, or in such other manner (which may include random selection by computer) as the Indenture Trustee may consider equitable, provided that such selection will be proportionate (to the nearest 1,000 units of the applicable currency). For this purpose, the Indenture Trustee may make, and from time to time amend, regulations with regard to the manner in which such Notes may be called for redemption and regulations so made will be valid and binding upon all Noteholders notwithstanding the fact that, as a result of such regulations, one or more Notes become subject to redemption in part only. Unless the context otherwise requires, the terms "Note" and "Notes" as used in this Section 4.10 will be deemed to include any part of the principal amount of any Note which in accordance with the foregoing provisions has become subject to redemption.

(d) The holder of any Note called for redemption in part only will be entitled to receive, upon surrender of such Note for payment and without expense to such holder, a new Note or Notes of an aggregate principal amount equal to the unredeemed part of the Note so surrendered, and the Issuer will execute and the Indenture Trustee will certify and deliver to such holder such new Note or Notes; provided, however, that, in the case of a Global Note, an appropriate notation may instead be made on such Global Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

(e) Notice of intention to redeem any Series or Tranche of Notes will be given by the Issuer in the manner provided in Section 15.03 or otherwise in accordance with the procedures of the Depository at least 15 days but not more than 30 days prior to the date fixed for redemption. Notwithstanding the foregoing, a redemption notice may be delivered more than 30 days prior to the date fixed for redemption if such notice is issued in connection with a satisfaction and discharge of this Indenture with respect to any Series or Tranche of Notes. Every such notice will specify that portion of the principal amount of such Note to be redeemed (provided that no Notes in an aggregate principal amount of 1,000 units of the applicable currency or less will be redeemed in part), the redemption date, the Redemption Price and places of payment, and will state that all interest on the Notes called for redemption will cease to be payable from the redemption date.

(f) Upon notice having been given as provided in Section 4.10(e), the Notes called for redemption or the principal amount to be redeemed of the Notes called for redemption in part, as the case may be, will thereupon become due and payable at the Redemption Price, on the redemption date specified in such notice, in the same manner and with the same effect as if it were the maturity date for such Notes, notwithstanding anything contained in this Indenture or in the Notes to the contrary. From and after such redemption date, if the money necessary to redeem such Notes has been deposited as provided in Section 4.10(h) or 4.10(i) and affidavits or other proof satisfactory to the Indenture Trustee as to the delivery or mailing of such notices have been delivered to it, such Notes will not be considered as Outstanding under this Indenture and interest upon such Notes will cease to accrue after such date.

(g) If any question arises as to whether notice of redemption or deposit of the redemption money has been given or made available as provided above, such question will be decided by the Indenture Trustee, whose decision will be final and binding upon all interested parties.

(h) Except as may otherwise be provided in the Related Supplemental Indenture or in any Series or Tranche of Notes, or as part of a satisfaction and discharge of this Indenture with respect to any Series or Tranche of Notes where payment has been made in accordance with another provision of this Indenture, upon Notes of a Series or Tranche being called for redemption, the Issuer will deposit with the Indenture Trustee immediately available funds no later than 10:00 a.m. on the date fixed for redemption in the relevant notice of redemption (or such later time on such date as is acceptable to the Indenture Trustee), such sums as may be sufficient to pay the Redemption Price of the Notes to be redeemed, plus accrued and unpaid interest and other amounts (if any) due on such Notes to the redemption date, and will pay to the order of the Indenture Trustee the estimated charges and expenses to be incurred in connection with such redemption. From the sums so deposited and upon surrender of such Notes, the Indenture Trustee will pay or cause to be paid to the holders of the Notes called for redemption the principal thereof, interest and other amounts (if any) thereon to which they are entitled on redemption.

(i) Alternatively, in respect of any Global Notes, the Issuer may, at its option, cause the amount payable on redemption to be sent by wire transfer on the day such redemption payment is due to an account maintained by such Noteholder or any other method acceptable to the Issuer and such Noteholder.

4.11 Purchase of Notes for Cancellation

(a) Provided no Event of Default has occurred and is continuing, the Issuer may purchase or otherwise acquire, at any time and from time to time, all or any of the Outstanding Notes of any Series or Tranche in the market (which will include purchase from or through an investment dealer, participant or a firm holding membership on a recognized stock exchange) or by invitation to tender or by private contract at such prices as it may determine in its sole discretion. The Issuer will deliver to the Indenture Trustee all Notes purchased as aforesaid, when paid, as evidence of such payment.

(b) If, upon an invitation to tender, more Notes of a Series or Tranche are tendered in response to such invitation at the same lowest price than the Issuer is prepared to accept, Notes of the Series or Tranche to be purchased by the Issuer will be selected by the Indenture Trustee on a *pro rata* basis, disregarding fractions, according to the Outstanding Dollar Principal Amount of Notes registered in the name of each Noteholder, or in such other manner as the Indenture Trustee may consider equitable (which may include random selection by computer), from the Notes tendered by each Noteholder which tendered at such lowest price. For this purpose, the Indenture Trustee may make, and from time to time amend, regulations with respect to the manner in which Notes may be so selected and regulations so made will be valid and binding upon all Noteholders, notwithstanding the fact that, as a result thereof, one or more of such Notes becomes subject to purchase in part only. The holder of any Note of which a part only is purchased, will be entitled to receive upon surrender of such Note for payment and without expense to such holder, a new Note or Notes of an aggregate principal amount equal to the unpurchased part of the Note so surrendered and the Indenture Trustee will certify and deliver to such holder a new Note or Notes; provided, however, that, in the case of a Global Note, an appropriate notation may instead be made on such Global Note to decrease the principal amount thereof to an amount equal to the unpurchased portion thereof.

4.12 Cancellation

All Notes surrendered for payment, redemption, repurchase, transfer, conversion or exchange will, if surrendered to any Person other than the Indenture Trustee, be delivered to the Indenture Trustee and will be promptly canceled by it. The Issuer may at any time deliver to the Indenture Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered will be promptly canceled by the Indenture Trustee. No Note will be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 4.12, except as expressly permitted by this Indenture. The Indenture Trustee will dispose of all canceled Notes in accordance with its customary procedures and will deliver a certificate of such disposition to the Issuer.

However, an increase in the aggregate commitment under an existing Funding Obligation Agreement or the issuance of additional Notes of an Outstanding Series or Tranche of Notes shall constitute a new incurrence of Issuer Funding Obligations.

(b) On each date that the Province makes a payment pursuant to the Change of Law Protection Agreement, the Paying Agent will, prior to making any payments under any other Payment Waterfall, distribute all amounts in the Protection Account solely to satisfy payments in respect of Approved Obligations as set out in the related Guarantor Settlement Statement delivered to the Province in the order of priority the applicable Obligation Secured would have had under the applicable Payment Waterfall and based upon the Payment Instructions received from the Manager in respect of such date.

(c) Any amounts remaining after making the applications referred to in clause (b) above shall be transferred to the Province free and clear of the Security Interest.

(d) Upon payment by or on behalf of the Province to the Protection Account pursuant to the Change of Law Protection Agreement (or the satisfaction of Obligations

Secured pursuant to distributions made from amounts deposited in the Protection Account), (i) the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Specified Creditor(s) as provided for in this Section 7.10, (ii) the applicable Specified Creditor(s)' rights to receive payments in respect of such Obligation Secured shall be reduced by the amount of such payment, and (iii) the Province shall become subrogated and entitled as provided in the Change of Law Protection Agreement to the rights, interests , elections and privileges of the Specified Creditor(s) benefitting from such payment (the "**Provincial Subrogation Claims**") and shall be entitled to receive distributions of Subrogation Amounts as provided in the Change of Law Protection Agreement on the dates determined in accordance with the applicable Payment Waterfall in the priority and to the extent that such Obligation Secured would have received payment had such Obligation Secured not been paid by the Province (and not been paid from amounts deposited to the Protection Account) pursuant to this Section 7.10.

(e) No Specified Creditor shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under subsection 7.10(d) (including any right of reimbursement, contribution or indemnity) and no Specified Creditor (other than the Province) shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts or a related claim or right.

(f) Without limiting the Province's rights under subsection 7.10(d), upon the Province paying any amount in respect of the Approved Obligation as contemplated in subsection 7.10(b), the Province shall be subrogated and entitled to each applicable Specified Creditor's rights and interests under and in respect of the Obligation Secured to the extent of payments made to the Specified Creditor out of the Protection Account, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts and (ii) the benefits of the related Collateral and all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under this Indenture on the basis contemplated in subsection 5.01(b)) under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Specified Creditor, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Issuer of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Specified Creditor to the Issuer and unaffected by any other rights or equities that arise thereafter as between the Specified Creditor and the Issuer. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the relevant Specified Creditor in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under this Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under this Indenture and any other agreement under which the Approved Obligation arises.

7.11 Allocation of Amounts on Deposit in Series Accounts

If, after giving effect to payments made on any Payment Date, the amount in the Collection Account is insufficient to satisfy all amounts required to be paid to Specified Creditors on such date, amounts on deposit in any Series Account may be withdrawn from such Series Account and allocated to Specified Creditors in accordance with the terms of the Related Funding Obligation Agreement.

7.12 Payments to be Held in Trust

If, notwithstanding the Payment Waterfalls, any payment on Obligations Secured shall be received at any time by any Specified Creditor, other than in accordance with this Indenture, then the funds received in respect of such payment shall be held by such Specified Creditor in trust for the Issuer and the other Specified Creditors and such Specified Creditor shall forthwith remit to the Indenture Trustee such funds.

7.13 Application of Trust Money

All money and obligations deposited with the Indenture Trustee pursuant to this Article VII and all money received by the Indenture Trustee in respect of such obligations will be held in trust and applied by it, in accordance with the provisions of the Program Agreements in respect of which it was deposited and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Indenture Trustee, at the direction of the Manager, may determine, to the Persons entitled thereto, of the principal, interest, fees and other amounts for whose payment that money and obligations have been deposited with or received by the Indenture Trustee. Money held by the Indenture Trustee in trust hereunder need not be segregated from other funds except to the extent required by this Indenture or by applicable law. The Indenture Trustee will be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Issuer.

ARTICLE VIII
EVENTS OF DEFAULT AND REMEDIES

8.01 Events of Default

"**Event of Default**," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it will be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any Governmental Authority): **[NTD: cure periods to be confirmed]**

(a) a default by the Issuer in the payment of any interest on any Controlling Class Obligations when such interest becomes due and payable, and continuance of such default for a period of **[65]** days following the date on which such interest became due and payable;

(b) a default by the Issuer in the payment of any principal of any Controlling Class Obligations at its Principal Payment Default Date;

(c) any representation or warranty contained in Section 12.01 proves to be incorrect in any material respect when made and such incorrect representation or warranty if capable of being remedied by the Issuer, has not been remedied for a period of 60 days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Controlling Class Creditors holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of Default" hereunder and, as a result of such default, the interests of such Controlling Class Creditors are materially and adversely affected and continue to be materially and adversely affected during the 60-day period;

(d) a default in the performance, or breach, of any covenant of the Issuer in this Indenture in respect of any Controlling Class Obligations (other than an agreement, covenant or warranty a default in the performance of which or the breach of which is elsewhere specifically dealt with in this Section 8.01), all of such covenants in this Indenture which are not expressly stated to be for the benefit of a particular Series of Issuer Funding Obligations being deemed to be in respect of all Series of Issuer Funding Obligations for this purpose, and continuance of such default or breach for a period of 60 days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Controlling Class Creditors holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of Default" hereunder and, as a result of such default, the interests of such Controlling Class Creditors are materially and adversely affected and continue to be materially and adversely affected during the 60-day period;

(e) the Issuer fails to maintain its existence or its status as a Financing Entity or an Insolvency Event occurs in respect of the Issuer;

(f) the Change of Law Protection Agreement ceases to be in full force and effect against the Province, or the validity of the Change of Law Protection Agreement or the applicability thereof to the Province or to any Controlling Class Obligations or any other obligations purported to be secured thereby or any material part thereof shall be disaffirmed in writing by or on behalf of the Province;

(g) an Acceleration Event has occurred; provided that Controlling Class Creditors holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations have given, by registered or certified mail, notice to the Issuer and the Indenture Trustee specifying such default and stating that such notice is a "Notice of Default" hereunder;

(h) a default in the performance or breach by the Issuer of its covenant in Section 13.11 and the continuance of such default or breach for a period of three

(3) Business Days after notice thereof has been given to the Issuer by the Indenture Trustee;

(i) at any time, the aggregate of (1) the amounts, if any, withdrawn from the IESO Cash Reserve Account pursuant to Section 7.07(a) during the period from and after November 1, 2021 and prior to such time, plus (2) the amounts, if any, withdrawn from the Program Cash Reserve Account pursuant to Section 7.08(a) prior to such time, exceeds the aggregate of (3) an amount equal to 0.50% of the largest Outstanding Dollar Principal Amount of all Senior Funding Obligations, Subordinate Funding Obligations and Junior Subordinate Funding Obligations at any time on or before such time, plus (4) the sum of all amounts deposited to the Program Cash Reserve Account pursuant to Section 7.04(e)(xiii) prior to such time; or

(j) a Servicer Default shall occur.

If Controlling Class Obligations constituting 25% or more of the Outstanding Dollar Principal Amount of all Controlling Class Obligations have been accelerated in accordance with the Related Funding Obligation Agreements, the threshold required to declare an Event of Default described in clause (c), (d) or (g) shall be deemed to have been met and no vote of Controlling Class Creditors to declare an Event of Default shall be required. For greater certainty, failure to pay amounts owing pursuant to a Derivative Agreement shall not constitute grounds for an Event of Default.

8.02 <u>Acceleration of Maturity; Rescission and Annulment</u>

(a) If an Event of Default (other than an Event of Default described in clause (e) or (f) of Section 8.01) occurs and is continuing, then and in each and every such case, unless the principal of all the Controlling Class Obligations shall have already become due and payable, either the Indenture Trustee or Controlling Class Creditors holding not less than 50% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations (treated as one class), by notice in writing to the Issuer (and to the Indenture Trustee if given by such Controlling Class Creditors), may declare the Outstanding Dollar Principal Amount of all Issuer Funding Obligations (other than Derivative Funding Obligations) and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, notwithstanding anything in this Indenture or any Funding Obligation Agreement to the contrary. In any vote to determine whether the requisite number of Controlling Class Creditors have agreed to accelerate the Issuer Funding Obligations pursuant to this subsection 8.02(a), Controlling Class Creditors whose Controlling Class Obligations have been accelerated in accordance with the Related Funding Obligation Agreements shall be deemed to have voted in favour of acceleration to the extent of the Outstanding Dollar Principal Amount of those Controlling Class Obligations which have been accelerated. If Controlling Class Obligations constituting 50% or more of the Outstanding Dollar Principal Amount of all Controlling Class Obligations have been accelerated in accordance with the Related Funding Obligation Agreements, no vote of Controlling Class Creditors to accelerate the Issuer Funding Obligations shall be required and all remaining Issuer Funding Obligations (other than Derivative Funding Obligations) will become and will be immediately due and payable, notwithstanding anything in this Indenture or any Funding Obligation Agreement to the contrary.

(b) If an Event of Default described in clause (e) or (f) of Section 8.01 occurs and is continuing, then all Issuer Funding Obligations (other than Derivative Funding Obligations) will automatically be and become immediately due and payable by the Issuer, without notice or demand to any Person, and the Issuer will automatically and immediately be obligated to pay off the Issuer Funding Obligations.

(c) At any time after such a declaration of acceleration has been made or an automatic acceleration has occurred with respect to the Issuer Funding Obligations (other than Derivative Funding Obligations) and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter provided in this Article VIII, Controlling Class Creditors may, by Extraordinary Resolution, rescind and annul such declaration and its consequences if:

(i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay (A) all overdue installments of interest on the Controlling Class Obligations, (B) the principal of any Controlling Class Obligations which have become due otherwise than by such declaration of acceleration, and interest thereon at the rate or rates prescribed therefor by the terms of the Related Funding Obligation Agreements, to the extent that payment of such interest is lawful, (C) interest upon overdue installments of interest at the rate or rates prescribed therefor by the terms of the Related Funding Obligation Agreements, to the extent that payment of such interest is lawful, and (D) all sums paid by the Indenture Trustee hereunder and the reasonable compensation, expenses and disbursements of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05; and

(ii) all Events of Default, other than the nonpayment of the principal of the Controlling Class Obligations which has become due solely by such acceleration, have been cured or waived as provided in Section 8.03.

(d) If, at any time, any Event of Default capable of being remedied has been remedied by the Issuer to the satisfaction of the Indenture Trustee: (i) the Security Interest will no longer be or be deemed to be enforceable by reason of such Event of Default; (ii) any rights which had become vested in the Indenture Trustee by virtue thereof will be and be deemed to be cancelled as fully and to the same extent as though no such Event of Default had occurred; and (iii) the Indenture Trustee will, or will instruct any receiver appointed pursuant to this Indenture to restore to the Issuer any Collateral in the possession of the Indenture Trustee or receiver, as the case may be.

(e) No such rescission will affect any subsequent Default or impair any right consequent thereon, nor will any such rescission apply to any event of default applicable solely to any Series or Tranche of Issuer Funding Obligations and contained in any Related Funding Obligation Agreement.

8.03 Waiver of Past Defaults

Subject to Section 8.02(c), Controlling Class Creditors may, by Ordinary Resolution, waive any past Default hereunder and its consequences, provided that the Rating Agency Condition has been satisfied. Upon any such waiver, such Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, for every purpose of this Indenture; but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

8.04 Notice of Defaults

(a) Within 90 days after the occurrence of any Default, Event of Default or Acceleration Event of which the Indenture Trustee has received written notice:

(i) the Indenture Trustee will transmit by mail to all Registered Noteholders, as their names and addresses appear in the Note Register, notice of such Default, Event of Default or Acceleration Event;

(ii) the Indenture Trustee will notify all holders of Bearer Notes by publication of notice of such Default, Event of Default or Acceleration Event in an Authorized Newspaper, or as otherwise provided in the Related Supplemental Indenture;

(iii) the Indenture Trustee will give prompt written notification of such Default, Event of Default or Acceleration Event to those Lenders and other Specified Creditors that are included on the Specified Creditor list provided by the Issuer pursuant to subsection 13.13(b); and

(iv) the Indenture Trustee will give prompt written notification of such Default, Event of Default or Acceleration Event to the Rating Agencies, unless such Default, Event of Default or Acceleration Event will have been cured or waived;

provided, however, that (A) the Indenture Trustee shall not be liable for failing to distribute any written notice pursuant to this Section 8.04 to any party that is at the time of delivery a Specified Creditor but is not on the list of Specified Creditors held by the Indenture Trustee pursuant to subsection 9.14(a), and (B) except in the case of a default in the payment of the principal of or interest on any Issuer Funding Obligation, the Indenture Trustee will be protected in withholding such notice if and so long as a Responsible Officer of the Indenture Trustee in good faith determines that the withholding of such notice is in the interests of Debtholders.

(b) When notice of the occurrence of a Default, Event of Default or Acceleration Event has been given and the Default, Event of Default or Acceleration Event is thereafter cured, notice that the Default, Event of Default or Acceleration Event is no longer continuing shall be given by the Indenture Trustee to Persons to whom notice was sent pursuant to subsection 8.04(a) within a reasonable time, but not exceeding 30 days in any event, after the Indenture Trustee receives notice from the applicable Debtholders that the Default, Event of Default or Acceleration Event has been cured.

8.05 Remedies Generally

Subject to subsections 8.02(c) and (d), and Section 8.03, if the Controlling Class Obligations become due and payable pursuant to Section 8.02 and the Issuer has failed to pay such Controlling Class Obligations, the Indenture Trustee (subject, however, to compliance with the provisions of Section 9.02(d) with respect to the giving of indemnity and funds) may proceed to realize upon the Security Interest and to enforce the rights of the Indenture Trustee and of the Specified Creditors to whom Obligations Secured are owed by (i) application to any court of competent jurisdiction for an order of sequestration and payment of amounts in respect of clean energy adjustments, collections or remittances in accordance with the Act, (ii) possession of the Collateral, (iii) appointment of a receiver with respect to the Collateral, (iv) proceedings in any court of competent jurisdiction for the appointment of a receiver or for sale of the Collateral or any part thereof, or for foreclosure, (v) subject to Section 10.02, exercise any of the rights of the Issuer under any of the Program Agreements, including the right to replace the Manager or the Servicer in accordance with Section 8.10, or (vi) any other action, suit, remedy or proceeding authorized or permitted by this Indenture or by applicable law or by equity.

8.06 Default Interest and Expenses

The Issuer covenants that if:

(a) the Issuer defaults in the payment of interest on any Series of Issuer Funding Obligations that are Controlling Class Obligations when such interest becomes due and payable and such default continues for a period of **[65]** days following the Interest Payment Date on which such interest became due and payable, or

(b) the Issuer defaults in the payment of the principal amount of any Series of Issuer Funding Obligations that are Controlling Class Obligations on the Principal Payment Default Date thereof;

the Issuer will, upon demand of the Indenture Trustee, pay (subject to the allocation provided in Article VII and this Article VIII and any Related Funding Obligation Agreement) to the Indenture Trustee, for the benefit of the Debtholders of any such Issuer Funding Obligations, the whole amount then due and payable on any such Issuer Funding Obligations for principal and interest, with interest, to the extent that payment of such interest will be legally enforceable, upon the overdue principal and upon overdue installments of interest, (i) in the case of interest-bearing Issuer Funding Obligations, at the rate of interest applicable to the principal amount thereof, unless otherwise specified in the Related Funding Obligation Agreement; and (ii) in the case of Discount Notes, as specified in the Related Supplemental Indenture, and in addition thereto, will pay such further amount as will be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05.

If the Issuer fails to pay such amounts forthwith upon such demand, the Indenture Trustee may, if the Issuer Funding Obligations have been accelerated in accordance with Section 8.02, take immediate steps to enforce the Security Interest, including instituting, in its own name and as trustee of an express trust, a judicial proceeding seeking the appointment of a receiver or a judicial proceeding for the collection of the sums so due and unpaid, and may directly prosecute such proceeding to judgment or final decree, and the Indenture Trustee may enforce the same against the Issuer and collect the money adjudged or decreed to be payable in the manner provided by applicable law out of the Collateral, wherever situated.

8.07 <u>Indenture Trustee May File Proofs of Claim</u>

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy or other similar proceeding relative to the Issuer or the property of the Issuer, the Indenture Trustee (irrespective of whether the principal of the Issuer Funding Obligations will then be due and payable as therein expressed or by declaration or otherwise) will be entitled and empowered by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal, interest, fees and other amounts owing and unpaid in respect of the Issuer Funding Obligations and to file such other papers or documents as may be necessary and advisable in order to have the claims of the Indenture Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05) and of the Debtholders allowed in such judicial proceeding, and

(b) to collect and receive any funds or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator or other similar official in any such proceeding is hereby authorized by each Specified Creditor to make such payment to the Indenture Trustee, and in the event that the Indenture Trustee will consent to the making of such payments directly to the Specified Creditors, to pay to the Indenture Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel, and any other amounts due to the Indenture Trustee under Section 9.05.

8.08 <u>Indenture Trustee May Enforce Claims Without Possession of Notes</u>

All rights of action and claims under this Indenture or the Notes of any Class, Series or Tranche may be prosecuted and enforced by the Indenture Trustee without the possession of any of the Notes of such Class, Series or Tranche or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Indenture Trustee will be brought in its own name as trustee of an express trust.

8.09 Indenture Trustee May Elect to Hold the Collateral

Following an acceleration of Issuer Funding Obligations in accordance with Section 8.02, the Indenture Trustee may elect to continue to hold the Collateral and apply distributions on the Collateral in accordance with the distribution provisions of Section 8.13.

8.10 Termination by Indenture Trustee of Manager and Servicer

Upon the occurrence and during the continuance of an Event of Default, the Indenture Trustee shall have the right to (and, upon receipt of an Extraordinary Resolution to that effect, shall) terminate the appointment of the then existing Manager under the Management Agreement and/or the Servicer under the Master Transfer and Servicing Agreement, and appoint new Persons under such agreements in accordance with such direction, provided that the Issuer shall have the right to reinstate any appointee under such agreements at such time as the Event of Default is no longer continuing.

8.11 Control by Controlling Class Creditors

(a) Subject to Section 10.02(b), Controlling Class Creditors will, by Ordinary Resolution, have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee with respect to all Issuer Funding Obligations, provided that:

(i) the Indenture Trustee will have the right to decline to follow any such direction if the Indenture Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture, or if the Indenture Trustee in good faith determines that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Controlling Class Creditors not taking part in such direction; and

(ii) the Indenture Trustee may take any other action permitted hereunder deemed proper by the Indenture Trustee which is not inconsistent with such direction.

(b) For greater certainty, Specified Creditors other than Debtholders shall not and do not have any right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee. Specified Creditors other than Debtholders shall only have the right to receive proceeds following an Event of Default in the manner provided for in Section 8.13.

8.12 Limitation on Suits

To the fullest extent permitted by applicable law, no Specified Creditor will have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, unless:

(a) the Issuer or a Controlling Class Creditor has previously given written notice to the Indenture Trustee of a continuing Event of Default;

(b) Controlling Class Creditors, by way of Ordinary Resolution, have made written request to the Indenture Trustee to institute proceedings in respect of such Event of Default in the name of the Indenture Trustee hereunder;

(c) such Controlling Class Creditors have offered to the Indenture Trustee (when so requested by the Indenture Trustee) indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request; and

(d) the Indenture Trustee, for 60 days after the Indenture Trustee has received such notice, request and offer of indemnity has failed to institute any such proceeding;

it being understood and intended that no one or more Specified Creditors will have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Specified Creditor, or to obtain or to seek to obtain priority or preference over any other Specified Creditor or to enforce any right under this Indenture, except in the manner herein provided and for the benefit of all Specified Creditors. If the above conditions have been met, a Controlling Class Creditor may exercise such rights in accordance with this Indenture.

8.13 Application of Money Following an Event of Default

Subject to the following paragraph, upon the occurrence and during the continuance of an Event of Default which has been accelerated in accordance with Section 8.02, any money or other property standing in each Issuer Account or otherwise received by the Indenture Trustee pursuant to this Article VIII will be applied in the order of priority specified in this Section 8.13, *pro rata* in proportion to the claims represented by each subclause, except as otherwise specifically provided below:

(a) First, to the payment or remittance of all Taxes exigible for which a Governmental Authority is given priority over the Specified Creditors under the laws of the applicable jurisdiction;

(b) Second, to the Indenture Trustee and the Issuer Trustee in respect of the amount of fees, expenses and reimbursements owing, up to a maximum aggregate amount (without duplication of amounts previously paid in respect of such fees, expenses, reimbursements and indemnified claims) equal to the Trustee Cap with respect to each of the Indenture Trustee and the Issuer Trustee;

(c) Third, *pari passu*, (A) to Debtholders, on a *pro rata* basis, in respect of all interest accrued and unpaid, if any, and fees and other amounts (other than principal) due and payable on the Senior Funding Obligations, and (B) to Derivative Counterparties, on a *pro rata* basis, all Derivative Funding Obligations payable other than Termination Payments;

(d) Fourth, to Debtholders, on a *pro rata* basis, in respect of all interest accrued and unpaid, if any, and fees and other amounts (other than principal) due and payable on the Subordinated Funding Obligations;

(e) Fifth, to Debtholders, on a *pro rata* basis, in respect of all interest accrued and unpaid, if any, and fees and other amounts (other than principal) due and payable on the Junior Subordinated Funding Obligations;

(f) Sixth, to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Warehouse Obligations until such amount has been paid in full;

(g) Seventh, *pari passu*, (A) to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Senior Funding Obligations (other than Warehouse Obligations) until such amount has been paid in full, and (B) to Derivative Counterparties, on a *pro rata* basis, any Termination Payment where the Derivative Counterparty is not the Defaulting Party or the sole Affected Party;

(h) Eighth, to the Manager in respect of all fees, expenses and reimbursement amounts owing;

(i) Ninth, to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Subordinated Funding Obligations until such amount has been paid in full;

(j) Tenth, to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Junior Subordinated Funding Obligations until such amount has been paid in full;

(k) Eleventh, to each Derivative Counterparty, on a *pro rata* basis, any Termination Payment where the Derivative Counterparty is the Defaulting Party or the sole Affected Party;

(l) Twelfth, to the Manager in respect of all indemnity amounts owing;

(m) Thirteenth, *pari passu* (i) to the Indenture Trustee and the Issuer Trustee, in each case, in respect of the amount of any fees, expenses, reimbursements and indemnity amounts owing and not previously paid pursuant to clause (b); (ii) to the payment or remittance of all Taxes exigible and not previously paid pursuant to clause (a); and (iii) to all other Specified Creditors not specifically referred to in this Section 8.13; in each case, including for each referenced party in subclauses (i), (ii) and (iii), any amounts payable to their respective Affiliates under the terms of any relevant indemnity; and

(n) Fourteenth, to the Issuer or as the Issuer otherwise directs.

Notwithstanding the foregoing, amounts on deposit in a Series Account established solely for the benefit of one or more Series of Issuer Funding Obligations shall first be used to satisfy all obligations owing to those Debtholders or Derivative Counterparties for whom such Series Account was established. If any amounts remain following such application, such amounts shall constitute Available Collections and shall be applied in accordance with the priorities set out above. In addition, amounts on deposit in the Protection Account shall only be used to satisfy the obligations for which such amounts were deposited.

8.14 Limited Recourse

(a) Notwithstanding any other provision of this Indenture to the contrary, the obligation to pay principal of or interest on any Issuer Funding Obligation or any other amount payable to any Specified Creditor will be without recourse to the Indenture Trustee, the Issuer Trustee, the Manager or any Affiliate, officer, employee, member or director of any of them, and the satisfaction of the obligation of the Issuer to pay principal of or interest on any Issuer Funding Obligation or any other amount payable to any Specified Creditor will be subject to the allocation and payment provisions of this Indenture and any Related Funding Obligation Agreement, and limited to amounts available from the Collateral.

(b) No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer under the Issuer Funding Obligations or under this Indenture, or any certificate or other writing delivered in connection herewith or therewith, against (i) the Issuer Trustee in its individual capacity, (ii) any owner of a unit in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Issuer Trustee in its individual capacity, any holder of a unit in the Issuer or the Issuer Trustee or of any successor or assign of the Issuer Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Issuer Trustee has no such obligations in its individual capacity).

(c) Under no circumstances shall the Manager or any of its Affiliates be deemed an obligor or guarantor or otherwise deemed to be responsible for payment from its own funds of principal, interest, dividends or other amounts due on the Collateral, the Issuer Funding Obligations or any other Obligations Secured.

8.15 Restoration of Rights and Remedies

If the Indenture Trustee or any Controlling Class Creditor (to the extent and in the manner provided for in Section 8.12) has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, then and in every such case the Issuer, the Indenture Trustee and the Specified Creditors will, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Specified Creditors will continue as though no such proceeding had been instituted.

8.16 Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Specified Creditors is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by applicable law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or employment of any other appropriate right or remedy.

8.17 Delay or Omission Not Waiver

No delay or omission of the Indenture Trustee or of any Controlling Class Creditor to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VIII or by applicable law to the Indenture Trustee or to the Controlling Class Creditors may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Controlling Class Creditors, as the case may be.

8.18 Waiver of Stay or Extension Laws

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

8.19 Indenture Trustee Appointed Attorney

The Issuer irrevocably constitutes and appoints the Indenture Trustee and any officer or employee thereof, with full power of substitution, as its true and lawful attorney coupled with an interest with full power and authority in the name of the Issuer or in its own name, in its discretion, upon the occurrence and during the continuance of any Event of Default and acceleration in accordance with Section 8.02, for the purpose of carrying out the terms of this Indenture to take all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes hereof, and without limiting the generality of the foregoing, hereby gives the Indenture Trustee the power and right on behalf of the Issuer, without notice to or assent by the Issuer, to the extent permitted by applicable law, to do the following:

(b) In the exercise of the rights and duties prescribed or conferred by the terms of this Indenture, the Indenture Trustee will act honestly and in good faith with a view to the best interests of the Debtholders as a whole and exercise that degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances. (d) No provision of this Indenture will be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this clause (d) will not be construed to limit the effect of subsection 9.01(a);

(ii) the Indenture Trustee will not be liable for any error of judgment made in good faith, unless it will be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts;

(iii) the Indenture Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith if so directed by Extraordinary Resolution, relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Indenture with respect to the Obligations Secured; and

(iv) no provision of this Indenture will require the Indenture Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee will be subject to the provisions of this Section 9.01.

Except as otherwise provided in Section 9.01:

(b) whenever in the administration of this Indenture the Indenture Trustee will deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(c) the Indenture Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Indenture Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Controlling Class Creditors pursuant to this Indenture, unless such Controlling Class Creditors shall have offered to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(e) the Indenture Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Indenture Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Indenture Trustee will determine to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(f) the Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Indenture Trustee will not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Indenture Trustee will not be responsible for filing any financing statements or continuation statements in connection with the Obligations Secured or the Security Interest, but will cooperate with the Issuer in connection with the filing of such financing statements or amendments to such financing statements;

(h) the Indenture Trustee shall not be deemed to have notice of any default (including any Servicer Default, Default or Event of Default) unless written notice of any event which is in fact such a default is received by the Indenture Trustee at the Corporate Trust Office of the Indenture Trustee, and such notice references the Issuer Funding Obligations and this Indenture;

(i) the rights, privileges, protections, immunities and benefits given to the Indenture Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(l) the Indenture Trustee will be entitled to rely and act upon any direction, order, instruction, notice or communication provided to it under this Indenture which is sent to it by Electronic Methods. The Indenture Trustee shall have no liability for any losses, liabilities, costs or expenses incurred by it as a result of such reliance upon or compliance with such instructions or directions. The Issuer agrees: (i) to assume all risks arising out of the use of such Electronic Methods to submit instructions and directions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Indenture Trustee and that there may be more secure methods of transmitting instructions than the method(s) selected by the Issuer; and (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and

(m) the Indenture Trustee will not be liable for any consequential, punitive or special damages.

9.03 Not Responsible for Recitals or Issuer Funding Obligations

The recitals contained herein and in the Funding Obligation Agreements, except the Certificates of Authentication, will be taken as the statements of the Issuer, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Funding Obligation Agreements. The Indenture Trustee will not be accountable for the use or application by the Issuer of Notes, Borrowings or the proceeds thereof.

9.04 May Hold Notes

The Indenture Trustee, the Issuer Trustee, any Paying Agent, the Note Registrar, the Manager or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to subsection 9.07(e) and applicable legislation, may otherwise deal with the Issuer with the same rights it would have if it were not Indenture Trustee, Issuer Trustee, Paying Agent, Note Registrar, Manager or such other agent.

9.05 Compensation and Reimbursement; Limit on Compensation Reimbursement and Indemnity

(a) The Issuer agrees:

(i) to pay to the Indenture Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation will not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Indenture Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Indenture Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its own negligence or bad faith; and

(iii) to indemnify the Indenture Trustee for, and to hold it harmless against, any and all loss, liability, expense, claim, damage or injury incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trusts hereunder, including the costs and expenses of defending itself against any claim or liability (whether asserted by the Issuer, any Specified Creditor or any other Person) in connection with the exercise or performance of any of its powers or duties hereunder.

The Indenture Trustee will have no recourse to any asset of the Issuer other than funds available pursuant to Section 7.04, 7.10 or 8.13, or to any Person other than the Issuer.

(b) This Section 9.05 will survive the termination of this Indenture and the resignation or replacement of the Indenture Trustee under Section 9.07.

9.06 Corporate Indenture Trustee Required; Eligibility

There will at all times be an Indenture Trustee hereunder which will be either a bank, a trust company or a corporation organized and doing business under the laws of Canada or of any province or territory thereof, authorized under such laws to carry on a trust business as contemplated hereby in each of the provinces and territories of Canada. The Issuer may not, nor may any Person directly or indirectly controlling, controlled by, or under common control with the Issuer, serve as Indenture Trustee. If at any time the Indenture Trustee will cease to be eligible in accordance with the provisions of this Section 9.06, it will resign immediately in the manner and with the effect hereinafter specified in this Article IX.

9.07 <u>Resignation and Removal; Appointment of Successor</u>

(a) No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee pursuant to this Article IX will become effective until the acceptance of appointment by the successor Indenture Trustee under Section 9.08.

(b) The Indenture Trustee may resign at any time by giving written notice thereof to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of resignation, the resigning Indenture Trustee may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(c) The Indenture Trustee may be removed at any time by Ordinary Resolution of the Controlling Class Creditors delivered to the Indenture Trustee and to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of removal, the Indenture Trustee being removed may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(d) If at any time:

(i) the Indenture Trustee ceases to be eligible under Section 9.06 and fails to resign after written request therefor by the Issuer or by any Controlling Class Creditor, or

(ii) the Indenture Trustee becomes incapable of acting, or

(iii) the Indenture Trustee is adjudged bankrupt or insolvent, or a receiver of the Indenture Trustee or of its property is appointed, or any public officer takes charge or control of the Indenture Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Issuer may remove the Indenture Trustee, or (B) any Controlling Class Creditor who has been a *bona fide* Controlling Class Creditor for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

(e) The Indenture Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Indenture that is not eliminated within 90 days after the Indenture Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Indenture Trustee becomes aware that it has a material conflict of interest, it shall provide the Issuer with written notice of the nature of that conflict. If, notwithstanding the foregoing provisions of this subsection 9.07(e), the Indenture Trustee has such a material conflict of interest, the validity and enforceability of this Indenture and of the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Indenture Trustee contravenes the foregoing provisions of this subsection 9.07(e), any interested Person may apply to a court of competent jurisdiction for an order that the Indenture Trustee be replaced as trustee hereunder. The Indenture Trustee represents to the Issuer that at the time of the execution and delivery hereof, no material conflict of interest exists in the Indenture Trustee's role as a fiduciary hereunder.

(f) If the Indenture Trustee resigns, is removed or becomes incapable of acting, or if a vacancy shall occur in the office of the Indenture Trustee for any cause, the Issuer will promptly appoint a successor Indenture Trustee. If, within one (1) year after such resignation, removal or incapacity, or the occurrence of such vacancy, a successor Indenture Trustee is appointed by Ordinary Resolution of Controlling Class Creditors delivered to the Issuer and the retiring Indenture Trustee, the successor Indenture Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Indenture Trustee and supersede the successor Indenture Trustee appointed by the Issuer. If no successor Indenture Trustee shall have been so appointed by the Issuer or Controlling Class Creditors and accepted in the manner hereinafter provided, any Controlling Class Creditor who has been a *bona fide* Controlling Class Creditor for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(g) The Issuer will give written notice of each resignation and each removal of the Indenture Trustee and each appointment of a successor Indenture Trustee to each Specified Creditor as provided in Article XV and to each Rating Agency. To facilitate delivery of such notice, upon request by the Issuer, the retiring Indenture Trustee shall provide to the Issuer a list of all Specified Creditors. Each notice will include the name of the successor Indenture Trustee and the address of its Corporate Trust Office.

(h) Upon such resignation, the Indenture Trustee shall be discharged from all further duties and liabilities under this Indenture.

9.08 Acceptance of Appointment by Successor

Every successor Indenture Trustee appointed hereunder will execute, acknowledge and deliver to the Issuer and to the predecessor Indenture Trustee an instrument accepting such appointment, with a copy to the Rating Agencies, and thereupon the resignation or removal of the predecessor Indenture Trustee will become effective, and such successor Indenture Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the predecessor Indenture Trustee; but, on request of the Issuer or the successor Indenture Trustee, such predecessor Indenture Trustee will execute and deliver an instrument transferring to such successor Indenture Trustee all the rights, powers and trusts of the predecessor Indenture Trustee, and will duly assign, transfer and deliver to such successor Indenture Trustee all property and money held by such predecessor Indenture Trustee hereunder, subject nevertheless to its Lien, if any, provided for in Section 9.05. Upon request of any such successor Indenture Trustee, the Issuer will execute any and all instruments for more fully and certainly vesting in and confirming to such successor Indenture Trustee all such rights, powers and trusts.

No successor Indenture Trustee will accept its appointment unless at the time of such acceptance, such successor Indenture Trustee will be qualified and eligible under this Article IX.

9.09 Merger, Conversion, Consolidation or Succession to Business

Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Indenture Trustee, will be the successor of the Indenture Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article IX, without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Indenture Trustee shall give prompt written notice of such merger, conversion, consolidation or succession to the Issuer and the Rating Agencies. In case any Notes shall have been authenticated, but not delivered, by the Indenture Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Indenture Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Indenture Trustee had itself authenticated such Notes.

9.10 Trust Indenture Legislation

(a) In this Article IX, the term "**applicable legislation**" means the provisions, if any, of the *Trust and Loan Companies Act* (Canada) and any other statute of Canada or a province thereof, and of regulations under any such statute, in each case, as amended, restated or re-enacted from time to time, relating to trust indentures and to the rights, duties and obligations of trustees under trust indentures and of entities issuing debt obligations under trust indentures, to the extent that in the opinion of counsel to the Issuer such provisions are at the time in force and applicable to this Indenture.

(b) If and to the extent that any provision of this Indenture limits, qualifies or conflicts with a mandatory requirement of applicable legislation, such mandatory requirement shall prevail.

(c) The Issuer and the Indenture Trustee agree that each will at all times in relation to this Indenture and any action to be taken hereunder, observe and comply with and be entitled to the benefits of applicable legislation.

9.11 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Indenture and has taken all necessary action to authorize the execution, delivery and performance by it of this Indenture and other documents to which it is a party;

(c) each of this Indenture and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada. If, notwithstanding the provisions of this subsection 9.11(d), the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of such event.

9.12 Indenture Trustee's Application for Instructions from the Issuer

Any application by the Indenture Trustee for written instructions from the Issuer may, at the option of the Indenture Trustee, set forth in writing any action proposed to be taken or omitted by the Indenture Trustee under and in accordance with this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective; provided that such application shall make specific reference to this Section 9.12. The Indenture Trustee shall not be liable for any action taken by, or omission of, the Indenture Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than five (5) Business Days after the date the Issuer actually receives such application, unless the Issuer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Indenture Trustee shall have received written instructions in response to such application specifying the action be taken or omitted.

9.13 Appointment of Co-Trustee or Separate Indenture Trustee

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirements of any relevant jurisdiction, the Indenture Trustee shall have the power and shall execute and deliver all instruments, subject to the prior written consent of the Manager, which consent shall not be unreasonably withheld, to appoint one or more Persons reasonably acceptable to the Issuer to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Issuer's property, and to vest in such Person or Persons, in such capacity and for the benefit of the Specified Creditors, such title to the Issuer's property, or any part thereof, and, subject to the other provisions of this Section 9.13, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 9.06 and no notice to Specified Creditors of the appointment of any co-trustee or separate trustee shall be required under Section 9.07.

(b) Every separate trustee and co-trustee shall, to the extent permitted by applicable law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Issuer's property or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article IX. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time appoint the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by applicable law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by applicable law, without the appointment of a new or successor trustee.

(e) All such appointments made in accordance with this Section 9.13 shall be subject to the approval of the Issuer. The Issuer will give written notice of the appointment of any separate trustee or co-trustee to each Rating Agency.

9.14 Preservation of Information; Communications to Specified Creditors

(a) The Indenture Trustee will preserve, in as current a form as is reasonably practicable, the names and addresses of Registered Noteholders contained in the most recent list furnished to the Indenture Trustee as provided in subsection 13.13(a) and the names and addresses of Registered Noteholders received by the Indenture Trustee in its capacity as Note Registrar. The Indenture Trustee will also preserve, in as current a form as is reasonably practicable, the names and addresses of all other Specified Creditors contained in the most recent list furnished to the Indenture Trustee as provided in subsection 13.13(b). The Indenture Trustee may destroy any such list furnished to it upon receipt of a new list.

(b) If three (3) or more Debtholders of any Class, Series or Tranche (hereinafter referred to as "**applicants**") (or, if there are less than three (3) such Debtholders, all of the Debtholders) apply in writing to the Indenture Trustee by way of an application substantially in the form of Exhibit 4, then the Indenture Trustee will, within five (5) Business Days after the receipt of such application, afford such applicants access to the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a); provided, however, that (i) such Debtholders are identified on the most recent lists of Debtholders held by the Indenture Trustee pursuant to subsection 9.14(a), and (ii) the Indenture Trustee shall not release any information other than the names and addresses (including email addresses) of the Debtholders on such lists.

(c) By accepting its rights as a third party beneficiary hereunder, every Debtholder agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee will be held accountable by reason of the disclosure of any such information as to the names and addresses (including email addresses) of the Debtholders in accordance with subsection 9.14(b), regardless of the source from which such information was derived.

(d) Any Specified Creditor wishing to be removed from the list of Specified Creditors may deliver a notice to the Indenture Trustee in the form attached as Exhibit 5. Within five (5) Business Days of the receipt of such notice, the Indenture Trustee shall notify the Issuer to have that Specified Creditor removed from the list provided in accordance with subsection 13.13(b). The Indenture Trustee shall not be responsible, nor shall it be liable for any losses, costs or expenses (including special, indirect, punitive or consequential losses or damages) of the Issuer, any Specified Creditor, or any other party, with respect to any Specified Creditor that fails to, or is delayed in sending, such notice and whose information is disseminated in accordance with this Section 9.14.

(e) The Indenture Trustee shall not be liable for, or held accountable by reason of, distributing any information pursuant to this Section 9.14 regarding any Specified Creditor that is on the list of Specified Creditors held by the Indenture Trustee pursuant to subsection 9.14(a).

9.15 Acceptance of Trusts by Indenture Trustee

The Indenture Trustee hereby accepts the trusts in this Indenture and agrees to perform the same upon the terms and conditions herein set forth.

9.16 Paying Agent

(a) The Paying Agent, on behalf of the Indenture Trustee, will make distributions to Specified Creditors from the Collection Account or other applicable Issuer Account pursuant to the provisions of this Indenture and any applicable Program Agreement. Any Paying Agent will have the revocable power to withdraw funds from the Collection Account or other applicable Issuer Account for the purpose of making the distributions referred to above.

(b) The Indenture Trustee may revoke such power and remove the Paying Agent if the Indenture Trustee determines in its sole discretion that the Paying Agent has failed to perform its obligations under this Indenture in any material respect. The Paying Agent upon removal will return all funds in its possession to the Indenture Trustee.

(c) The Issuer will cause each Paying Agent (other than the Indenture Trustee) to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent will agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it so agrees), subject to the provisions of this Section 9.16, that such Paying Agent will:

(i) hold all sums held by it for the payment of principal of, interest, fees or other amounts in trust for the benefit of the Persons entitled thereto until such sums will be paid to such Persons or otherwise disposed of as herein provided;

(ii) if such Paying Agent is not the Indenture Trustee, give the Indenture Trustee notice of any default by the Issuer in the making of any such payment of principal or interest on any Issuer Funding Obligations;

(iii) if such Paying Agent is not the Indenture Trustee, at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(iv) open and maintain appropriate records with respect to each Note; record by appropriate entries therein each payment made on account of interest, principal, fees and other amounts owing with respect to each such Note.

For the purposes thereof, the Paying Agent shall make available upon request of the Issuer or the Indenture Trustee satisfactory evidence of each payment as soon as practicable after making such payment. The failure to record, or any error in recording, any such payment shall not, however, limit or otherwise affect the obligations of the Issuer as to the principal amount or accrued interest owing with respect to any Note. Such records of payment shall be conclusive evidence of the unpaid principal balance and interest owing in respect of the Notes in the absence of demonstrable error;

(v) immediately resign as a Paying Agent and, if such Paying Agent is not the Indenture Trustee, forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Issuer Funding Obligations if at any time it ceases to meet the standards described in this Section 9.16 required to be met by a Paying Agent at the time of its appointment; and

(vi) comply with all requirements of the Income Tax Act or any other applicable tax law with respect to the withholding from any payments made by it on any amounts contemplated under this Indenture of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

(d) Each Paying Agent, if not OPG, will at all times have, or be a wholly owned subsidiary of a corporation which has, a combined capital and surplus of at least $50,000,000 and be subject to supervision or examination by a Canadian federal, provincial or territorial authority or be regulated by or subject to the supervision or examination of a Governmental Authority of a nation that is a member of the Organization for Economic Co-operation and Development. If such Paying Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this subsection 9.16(d), the combined capital and surplus of such Paying Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition as so published.

(e) Unless and until the Issuer rescinds one or more of such appointments, the Issuer hereby appoints the Indenture Trustee as its Paying Agent. The Issuer will give written notice of the appointment of any Paying Agent (if such Paying Agent is not the Indenture Trustee) to each Rating Agency.

MEETINGS

10.01 <u>Conduct of Meetings</u>

Meetings of Debtholders of any Class, Series or Tranche, of all Issuer Funding Obligations, of Controlling Class Obligations of a Series or of all Controlling Class Obligations, as the case may be, may be convened, held and conducted in the following manner:

(a) At any time, and from time to time, the Indenture Trustee or the Issuer may, and the Indenture Trustee shall, on receipt of a written request of the Issuer or a requisition signed by Debtholders of a particular Class, Series or Tranche, of all Issuer Funding Obligations, of Controlling Class Obligations of a Series or of all Controlling Class Obligations (each of such groups of Debtholders being a "**Debtholder Group**"), as the case may be, holding at least 25% of the aggregate Outstanding Dollar Principal Amount of the applicable Issuer Funding Obligations, convene, or cause to be convened, a meeting of the Debtholders of that Debtholder Group. If the Indenture Trustee fails to convene, or cause to be convened, a meeting after 30 days of being duly required by the Issuer or such Debtholders, the Issuer or such Debtholders may themselves convene such meeting and, in the case of a meeting called by such Debtholders, the notice calling such meeting may be signed by such Person as those Debtholders specify. Every such meeting shall be held in the City of Toronto or such other place in Ontario, Canada as the Indenture Trustee may in any case determine or approve.

(b) At least 7 days' prior notice of any meeting shall be given to the Debtholders of the Debtholder Group to which such meeting relates and to the Issuer, unless the meeting has been called by the Issuer, and such notice shall state the date, time and the place the meeting is to be held and shall specify, in general terms, the nature of the business to be transacted. It shall not be necessary to specify in the notice the text of the resolutions to be passed. Subject to Section 10.01(c), notices shall be given in the manner set forth in Article XV and a copy thereof shall be delivered to the Indenture Trustee unless the meeting has been called by it. It shall not be necessary to specify in the notice of any adjournment of a meeting the nature of the business to be transacted at the adjourned meeting. The non-receipt of any such notice by a Debtholder shall not invalidate any resolution passed at such meeting.

(c) At any meeting of a Debtholders Group, subject as herein provided, a quorum shall consist of two or more Persons present in person or by proxy holding either personally or as proxies not less than 25% of the Outstanding Dollar Principal Amount of the Issuer Funding Obligations of the Debtholder Group entitled to vote at such meeting. If a quorum is not present on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, the meeting shall be adjourned to be held at a place and upon a date and at an hour to be fixed by the Indenture Trustee who shall give not less than seven (7) days' notice of the date and time to which such meeting is to be adjourned and at such adjourned meeting a quorum shall consist of the Debtholders of that Debtholder Group then and there represented in person or by proxy and entitled to vote at such meeting.

(d) An individual, who need not be a Debtholder, nominated in writing by the Indenture Trustee shall be chairman of the meeting (a "**Chairman**"). If no individual is so nominated or if the individual nominated is not present within 25 minutes after the time fixed for the holding of the meeting, the Debtholders and proxies for Debtholders present shall choose one of their number to be Chairman.

(e) Every question submitted to a meeting, except matters requiring an Extraordinary Resolution, shall be decided by a majority of the votes given on a show of hands or, if a poll shall be requested as hereinafter provided, by a majority of the votes cast on the poll (in either case, an "**Ordinary Resolution**") and shall be binding on all Debtholders of the applicable Debtholder Group. On a show of hands, each Debtholder who is present, whether in person or by proxy, will have one vote for every $1,000 of Outstanding Dollar Principal Amount of applicable Issuer Funding Obligations of which he or she shall be the Debtholder. A poll shall be taken on every Extraordinary Resolution and otherwise whenever requested by a Debtholder or its proxy. On a poll, each Debtholder shall have one vote for every $1,000 of Outstanding Dollar Principal Amount of applicable Issuer Funding Obligations of which he or she shall be the Debtholder. Votes may be given in person or by proxy and a proxy need not be a Debtholder. If at any meeting a poll is so demanded as aforesaid on the election of a Chairman or on a question of adjournment, it shall be taken forthwith. If at any meeting a poll is so demanded on any other question, or an Extraordinary Resolution is to be voted upon, a poll shall be taken in such manner and either at once or after an adjournment as the Chairman directs. The result of a poll shall be deemed to be the decision of the meeting at which the poll was demanded and shall be binding on all Debtholders of the applicable Debtholder Group. In the case of joint Registered Noteholders, any one of them present in person or by proxy at the meeting may vote in the absence of the other or others but, if more than one of them is present in person or by proxy, they shall vote together in respect of the Notes of which they are joint Registered Noteholders.

10.02 <u>Powers Exercisable by Ordinary Resolution and Extraordinary Resolution</u>

(a) In addition to any powers hereinbefore given, Debtholders of a Class, Series or Tranche of Issuer Funding Obligations shall by Ordinary Resolution have the power to:

(i) require the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any of the powers conferred upon it by this Indenture insofar as they apply solely to such Class, Series or Tranche or by the Related Funding Obligation Agreement;

(ii) sanction, insofar as they apply to the Class, Series or Tranche, the release of the Issuer from its covenants and obligations hereunder;

(iii) subject to the provisions of this Indenture or of the Related Funding Obligation Agreement, sanction any change whatsoever to any provision of the Issuer Funding Obligations of such Class, Series or Tranche which shall be agreed to by the Issuer and any modification, alteration, abrogation, compromise or arrangement of or in respect of the rights of the Debtholders of such Class, Series or Tranche or the Indenture Trustee against the Issuer, whether such rights shall arise under the provisions of this Indenture or otherwise;

(iv) subject to the provisions of this Indenture, assent to any modification of or change in or addition to or omission from the provisions contained in this Indenture, a Related Supplemental Indenture or any instrument ancillary or supplementary hereto or thereto, in each case, insofar as they apply to the Class, Series or Tranche, which shall be agreed to by the Issuer and to authorize the Indenture Trustee to concur in and execute any deed, instrument or agreement embodying any such modification, change, addition or omission or any other deeds, documents or writings authorized by such Ordinary Resolution; provided that no such assent shall be necessary for any modification of or change in or addition otherwise permitted hereunder or under a Related Supplemental Indenture; and

(v) take any other Action authorized by this Indenture or a Related Supplemental Indenture to be taken by Ordinary Resolution of the Debtholders of a Class, Series or Tranche of Issuer Funding Obligations.

(b) In addition to any powers hereinbefore given, Controlling Class Creditors shall by Extraordinary Resolution have the power to:

(i) after the Security Interest has become enforceable, authorize the Indenture Trustee to accept, in satisfaction or partial satisfaction, all or any part of the Collateral;

(ii) after the Security Interest has become enforceable, sanction the selling of the Collateral or any part thereof or interest therein;

(iii) after the Security Interest has become enforceable, authorize the Indenture Trustee or any other Person to bid or tender at any sale of the Collateral or any part thereof and take such actions in connection with such sale as it determines to be in the best interests of all Controlling Class Creditors;

(iv) assent to any compromise or arrangement by the Issuer with any creditor, creditors or class or classes of creditors or with the holders of any securities of the Issuer whose claims are payable from the Collateral;

(v) restrain any Debtholder from taking or instituting any suit, action or proceeding for the purpose of realizing on the Collateral or for the execution of any trust or power hereunder or for the appointment of a liquidator, receiver or trustee in bankruptcy or to have the Issuer liquidated or for any other remedy hereunder and to direct such Debtholder to waive any Event of Default on which any suit or proceeding is founded;

(vi) require the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any other powers conferred upon it by this Indenture of general application to all Classes of Issuer Funding Obligations, including the exercise of any rights of the Issuer under any of the Program Agreements upon the occurrence and during the continuance of an Event of Default, or cancel any declaration of acceleration made pursuant to Article VIII upon such terms and/or conditions as may be decided;

(vii) authorize the Indenture Trustee, in the event of the Issuer making an authorized assignment or proposal or in the event of an administrator, trustee, receiver or liquidator being appointed under any applicable bankruptcy or insolvency legislation for and on behalf of all Debtholders and, in addition to any claim or debt provided or made for its own account as Indenture Trustee hereunder, to file and prove a claim or debt against the Issuer or its property for an amount equivalent to the aggregate amount which may be payable in respect of all Issuer Funding Obligations, to value the Collateral, and to vote such claim or debt at meetings of creditors and generally act for and on behalf of all Debtholders in such proceedings as such Extraordinary Resolution may provide;

(viii) appoint a committee with power and authority (subject to such limitations, if any, as may be prescribed in such Extraordinary Resolution) to exercise, and to direct the Indenture Trustee to exercise, on behalf of all Controlling Class Creditors, such of the powers of such Controlling Class Creditors as are exercisable by Extraordinary Resolution or other resolution as shall be included in the Extraordinary Resolution appointing the committee. The Extraordinary Resolution making such appointment may provide for payment of the expenses and disbursements of and compensation to such committee from the Collateral in portions allocated to each Series as may be specified in such Extraordinary Resolution. Such committee shall consist of such number of Persons as shall be prescribed in the Extraordinary Resolution appointing it and the members need not themselves be Controlling Class Creditors or Debtholders. Each such committee may elect a chairman and may make regulations respecting its quorum, the calling of its meetings, the filling of vacancies occurring in its number and its procedures generally. Such regulations may provide that the committee may act at a meeting at which a quorum is present or may act by minutes signed by the number of members thereof necessary to constitute a quorum. All acts of any such committee within the authority delegated to it shall be binding upon all Debtholders. Neither the committee nor any member thereof shall be liable for any loss arising from or in connection with any action taken or omitted to be taken by them in good faith; and

(ix) take any other action authorized by this Indenture to be taken by Extraordinary Resolution.

(c) The foregoing powers shall be deemed to be several and cumulative and not dependent on each other and the exercise of one or more of such powers, or any combination of such powers, from time to time, shall not be deemed to exhaust the rights of the Debtholders to exercise such power or powers, or combinations of powers, thereafter from time to time. No powers exercisable by Extraordinary Resolution shall derogate in any way from any rights of the Issuer under or pursuant to this Indenture. The Issuer shall give the Rating Agency notice of any Ordinary Resolution or Extraordinary Resolution adopted.

10.03 Extraordinary Resolution

An Extraordinary Resolution, adopted in accordance with the provisions hereof, shall be binding upon each and every Debtholder and each other Specified Creditor and their respective heirs, executors, administrators, successors and assigns, whether present or absent, and the Indenture Trustee (subject to the provisions for funding and its indemnity herein contained) shall be bound to give effect thereto accordingly.

Except as expressly provided to the contrary in this Indenture, no action shall be taken at a meeting of the Debtholders of a Debtholder Group which changes any provision of this Indenture or changes or prejudices the exercise of any right of any Debtholder except by Extraordinary Resolution.

10.04 Declaration by Chairman of Result of Vote

At any meeting of Debtholders of any Debtholder Group in cases where no poll is required or requested, a declaration made by the Chairman that a resolution has been carried, or carried by any particular majority, or lost, shall be conclusive evidence thereof.

10.05 Minutes

Minutes of all resolutions and proceedings at every such meeting, as aforesaid, shall be made and duly entered in books to be provided from time to time for that purpose by an agent of the Issuer at the expense of the Issuer and any such minutes, as aforesaid, if signed by the Chairman of the meeting at which such resolutions were passed or proceedings had shall be *prima facie* evidence of the matters therein stated and, until the contrary is proved, every such meeting in respect of the proceedings of which minutes shall have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had thereat to have been duly passed and had.

10.06 Signed Instruments

Any resolution or instrument signed in one or more counterparts by (a) Debtholders holding not less than 50% of the aggregate Outstanding Dollar Principal Amount of Issuer Funding Obligations of a Debtholder Group, in the case of matters capable of being decided by Ordinary Resolution, and (b) Controlling Class Creditors holding not less than 66⅔% of the aggregate Outstanding Dollar Principal Amount of all Controlling Class Obligations in the case of matters required to be decided by Extraordinary Resolution, shall, in either case, have the same force and effect as a resolution duly passed at a meeting of such Debtholders by the affirmative vote of all of the votes cast upon a poll. Notice of any Ordinary Resolution or Extraordinary Resolution passed in accordance with this Section 10.06 shall be given by the Indenture Trustee to all applicable Debtholders within 30 days of the date on which such Ordinary Resolution or Extraordinary Resolution was passed.

10.07 Persons Who May Attend

Each Debtholder, by their respective officers, directors, employees, and the legal advisers of such parties, may attend any meeting of Debtholders.

10.08 Binding Effect of Resolutions

Every Ordinary Resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article X at a meeting of Debtholders of a Debtholder Group will be binding upon all of the Debtholders of such Debtholder Group whether present at or absent from such meeting, and every instrument in writing signed by Debtholders in accordance with Section 10.06 will be binding upon all of the Debtholders of such Debtholder Group, whether signatories thereto or not, and the Indenture Trustee will be bound to give effect accordingly to every such Ordinary Resolution, Extraordinary Resolution and instrument in writing. For greater certainty, any Extraordinary Resolution shall bind all Debtholders and all other Specified Creditors in accordance with Section 10.03.

10.09 Notes Regarded as Not Outstanding for Certain Purposes

If, in the opinion of the Indenture Trustee and upon receipt of an Issuer Certificate in respect of the following, any business to be transacted at any meeting of Debtholders or any action to be taken or power exercised by instrument in writing under Section 10.06 does not materially adversely affect the rights of the Debtholders of one or more particular Class, Series or Tranche of Issuer Funding Obligations, the provisions of this Article X shall apply as if the Issuer Funding Obligations of that Class, Series or Tranche were not Outstanding, and no notice of any such meeting need be given to the Debtholders of that Class, Series or Tranche.

ARTICLE XI
SUPPLEMENTAL INDENTURES

11.01 Supplemental Indentures and Amendments Without Consent of Specified Creditors

Without the consent of Specified Creditors but with 10 Business Days' prior notice to each Rating Agency and the Province, the Issuer and the Indenture Trustee, at any time and from time to time, and upon delivery by the Issuer to the Indenture Trustee of an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, the Issuer may amend this Indenture, including any Supplemental Indenture or enter into one or more Supplemental Indentures, in form satisfactory to the Indenture Trustee, for any of the following purposes:

(g) to provide for the consolidation of any Financing Entity and the Issuer into a single Person or the transfer of assets in any Financing Entity to the Issuer; or

(h) if IESO is replaced under the Master Transfer and Servicing Agreement as Servicer, to make any necessary changes to this Indenture or any other related document; or

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above, the Issuer and the Indenture Trustee may amend this Indenture, including any Supplemental Indenture, without the consent of any Specified Creditor but with 10 Business Days' prior notice to each Rating Agency and the Province, to modify, eliminate or add to the provisions of this Indenture (i) to facilitate compliance with any amendment to any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or (ii) to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document; in each case, provided that the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that (A) the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future or (B) such amendment is required to remain in compliance with any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or such amendment is required to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above and the immediately preceding paragraph, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture Trustee, without the consent of any Specified Creditor but with 10 Business Days' prior notice to each Rating Agency and the Province, for the purpose of (i) adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or any Supplemental Indenture or (ii) modifying in any manner the rights of the Specified Creditors under this Indenture or any Supplemental Indenture; provided, however, that (A) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (B) the Rating Agency Condition shall be satisfied.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above and the immediately preceding paragraphs, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture Trustee, without the consent of any Specified Creditor but with 10 Business Days' prior notice to each Rating Agency and the Province, to provide for those changes necessary for compliance with securities law requirements or banking laws or regulations; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (ii) the Rating Agency Condition shall be satisfied.

Prior written notice of any amendment to this Indenture or any Supplemental Indenture to the Province in accordance with the above paragraphs shall be sent by the Issuer and the Indenture Trustee. The Issuer and the Indenture Trustee shall send a copy of any amendment pursuant to this Section 11.01 to each Rating Agency and the Province; provided that failure to send copies of any amendment to this Indenture or any Supplemental Indenture, or failure to provide any notice under this Section 11.01 shall not invalidate such amendment.

The Indenture Trustee may, but shall not be obligated to, enter into any amendment which adversely affects the Indenture Trustee's rights, duties, benefits, protections, privileges or immunities under this Indenture or otherwise.

11.02 <u>Supplemental Indentures and Amendments with Consent of Debtholders</u>

In addition to any amendment permitted pursuant to Section 11.01, with 10 Business Days' prior notice to each Rating Agency and the Province, the consent of Debtholders of each Class, Series or Tranche of Issuer Funding Obligations affected by such amendment of this Indenture, including any Supplemental Indenture, by Ordinary Resolution delivered to the Issuer and the Indenture Trustee, and satisfaction of the Rating Agency Condition, the Issuer and the Indenture Trustee may enter into an amendment of this Indenture or any Supplemental Indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Debtholders of each such Class, Series or Tranche of Issuer Funding Obligations under this Indenture or any Supplemental Indenture; provided, however, that no such amendment of this Indenture or any Supplemental Indenture will, without the consent of each Debtholder of Issuer Funding Obligations affected thereby and satisfaction of the Rating Agency Condition:

(a) change an Interest Payment Date, Principal Payment Date or Principal Payment Default Date of any Issuer Funding Obligation;

(b) reduce the principal amount of, or the interest rate on any Note, or change the method of computing the Outstanding Dollar Principal Amount, the Outstanding Currency Specific Dollar Principal Amount or the Outstanding Dollar Principal Amount in a manner that is adverse to any Debtholders;

(c) reduce the amount of a Discount Note payable upon its acceleration;

(d) reduce the percentage in Outstanding Dollar Principal Amount of Issuer Funding Obligations of any Class, Series or Tranche, the consent of whose holders is required for any such amendment, or the consent of whose holders is required for any waiver of compliance with the provisions of this Indenture or of defaults hereunder and their consequences, provided for in this Indenture;

(e) modify any of the provisions of this Section 11.02 or Section 8.03, except to increase any percentage of Debtholders required to consent to any such amendment or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Debtholders affected thereby;

(f) change any Place of Payment where any principal of, or interest on, any Note is payable, unless otherwise provided in the Related Supplemental Indenture; or

(g) change the method of computing the amount of principal of, or interest on, any Note on any date.

An amendment of this Indenture or a Supplemental Indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular Classes, Series or Tranches of Issuer Funding Obligations, or which modifies the rights of the Debtholders of such Class, Series or Tranche with respect to such covenant or other provision, will be deemed not to affect the rights under this Indenture of the Debtholders of any other Class, Series or Tranche of Issuer Funding Obligations.

It will not be necessary for any Ordinary Resolution or Extraordinary Resolution under this Section 11.02 to approve the particular form of any proposed amendment or Supplemental Indenture, but it will be sufficient if such Ordinary Resolution or Extraordinary Resolution will approve the substance thereof.

The Issuer and the Indenture Trustee shall send a copy of any amendment pursuant to this Section 11.02 to each Rating Agency and the Province; provided that failure to send copies of any amendment to this Indenture or any Supplemental Indenture, or failure to provide any notice under this Section 11.02 shall not invalidate such amendment.

11.03 Execution of Amendments and Supplemental Indentures

In executing or accepting the additional trusts created by any amendment of this Indenture or Supplemental Indenture permitted by this Article XI or the modifications thereby of the trusts created by this Indenture, the Indenture Trustee will be provided with, and (subject to Section 9.01) will be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment or Supplemental Indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Indenture Trustee may, but will not (except to the extent required in the case of an amendment or Supplemental Indenture entered into under subsection 11.01(e)) be obligated to, enter into any such amendment or Supplemental Indenture which affects the Indenture Trustee's own rights, duties or immunities under this Indenture or otherwise.

11.04 Effect of Amendments and Supplemental Indentures

Upon the execution of any amendment of this Indenture or any Supplemental Indenture under this Article XI, this Indenture and/or such Supplemental Indenture will be modified in accordance therewith with respect to each Class, Series or Tranche of Issuer Funding Obligations affected thereby, or all Issuer Funding Obligations, as the case may be, and such amendment or Supplemental Indenture will form a part of this Indenture and such Supplemental Indenture for all purposes; and every holder of Issuer Funding Obligations theretofore or thereafter incurred and every other Specified Creditor will be bound thereby to the extent provided therein.

11.05 Reference in Notes to Supplemental Indentures

Notes authenticated and delivered after the execution of any amendment of this Indenture or any Supplemental Indenture pursuant to this Article XI may, and will if required by the Indenture Trustee, bear a notation in form approved by the Indenture Trustee as to any matter provided for in such amendment or Supplemental Indenture. If the Issuer will so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such amendment or Supplemental Indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Notes.

ARTICLE XII

(e) There are no actions, suits or proceedings pending or, to the knowledge of the Issuer, threatened against or affecting the Issuer at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Issuer or in the ability of the Issuer to perform its obligations under this Indenture, the other Program Agreements executed by it or any agreement or instrument delivered pursuant hereto or thereto; and the Issuer is not aware of any existing ground on which such action, suit or proceeding might be commenced with any reasonable likelihood of success or of any default with respect to any judgment, order, writ, injunction, decree, award, rule or regulation of any court, arbitrator or Governmental Authority, which, either separately or in the aggregate, would result in any such material adverse change.

If at any time the Issuer will fail to maintain such office or agency or will fail to furnish the Indenture Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Indenture Trustee, and the Issuer hereby appoints the Indenture Trustee its agent to receive all such presentations, surrenders, notices and demands.

Without limiting the generality of the foregoing and in addition to the other covenants set forth herein, the Issuer shall:

(a) not identify the offices of the Manager or any Affiliate thereof as its offices (by signage or otherwise);

(b) not identify the telephone number of the Manager as its telephone number and it will not utilize the stationery, invoices or cheques of the Manager;

(c) conduct all transactions with the Manager strictly on an arm's length basis and in good faith, allocate all overhead expenses for items shared between the Issuer and the Manager on the basis of actual use to the extent practicable and, to the extent such allocation is not practicable, on a basis reasonably related to actual use;

(d) conduct its affairs strictly in accordance with the Declaration of Trust, and observe all necessary, appropriate and trust formalities;

(e) maintain the Issuer's books and records separate from those of the Manager or any Affiliate thereof and otherwise readily identifiable as its own assets rather than assets of the Manager or any Affiliate thereof;

(f) prepare its financial statements separately from those of the Manager and ensure that any consolidated financial statements of the Manager that include the Issuer have notes clearly stating that the Issuer is a separate entity;

(g) only maintain bank accounts or other depository accounts to which the Issuer alone is the account party (or where the Issuer Trustee or the Indenture Trustee will maintain them on behalf of the Issuer), and from which only the Issuer or its agent has the power to make withdrawals;

(h) pay all of the Issuer's operating expenses from the Issuer's own assets (including, for greater certainty, reimbursing the Manager for any such expenses);

(i) continuously maintain the resolutions, agreements and other instruments of the Issuer underlying the transactions described in the Program Agreements as official records of the Issuer separately identified and held apart from the records of the Manager;

The Issuer will comply with the requirements of all applicable laws, the noncompliance with which would, individually or in the aggregate, materially and adversely affect the ability of the Issuer to perform its obligations under the Program Agreements.

13.07 Performance of Obligations

(a) The Issuer will punctually perform and observe all of its obligations and agreements contained in this Indenture, the Declaration of Trust, the Master Transfer and Servicing Agreement, the other Program Agreements and in the instruments and agreements relating to the Collateral, including but not limited to filing or causing to be filed all PPSA financing statements and amendments thereto required to be filed by the terms of this Indenture in accordance with and within the time periods provided for herein.

(b) The Issuer (i) will diligently pursue any and all actions to enforce its rights under each instrument or agreement included in the Collateral and (ii) will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person's covenants or obligations under any such instrument or agreement or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except, in each case, as expressly provided in this Indenture, the Master Transfer and Servicing Agreement or any other Program Agreement.

(c) The Issuer will enforce the Servicer's compliance with and performance of all of the Servicer's material obligations under the Master Transfer and Servicing Agreement. Upon the occurrence of a Protection Event and at the request of the Issuer or Controlling Class Creditors, by Ordinary Resolution, the Indenture Trustee shall deliver a written demand to the Province requiring the Province to make payments on Obligations Secured pursuant to and in accordance with the Change of Law Protection Agreement. If, following such request, the Indenture Trustee does not deliver such written demand to the Province within 10 days of such request, any Controlling Class Creditor shall be entitled to deliver such written demand to the Province.

(ii) at such other times as the Indenture Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days before the time such list is furnished;

provided, however, that so long as the Indenture Trustee is the Note Registrar, no such lists shall be required to be furnished.

(b) Upon written request from the Indenture Trustee, within 10 Business Days after the receipt by the Issuer of any such request, the Issuer will furnish or cause to be furnished to the Indenture Trustee a list, substantially in the form of Exhibit 3 of the names and addresses of all Specified Creditors (other than Noteholders), together with a reference to such Specified Creditor's Program Agreement, provided that no written request shall be required for the deliveries in subsection 5.01(h) or 5.03(c).

(c) upon the written request of the Indenture Trustee, use reasonable commercial efforts, following any (i) termination or resignation of the Servicer, the Manager or the Paying Agent or, in each case, any successor thereof; or (ii) termination, non-renewal or expiry of a Liquidity Agreement or a Credit Enhancement Agreement (other than, in the latter case, a termination, non-renewal or expiry which occurs because neither party thereto has any further obligation thereunder), to appoint and enter into an agreement with a successor to such Servicer, Manager or Paying Agent, or replace or renew such Liquidity Agreement or Credit Enhancement Agreement, in form and substance the same as the applicable provisions in the previously existing Program Agreement and will notify the Indenture Trustee and the Rating Agencies of each such occurrence and new agreement, and will execute and deliver all Supplemental Indentures and amendments hereto and all instruments of further assurance and other instruments and will take other and further action as the Indenture Trustee, relying on the advice of counsel, may consider necessary or advisable to assign and render subject to this Indenture any such agreement; and

(d) deliver or cause to be delivered to the Indenture Trustee and the Rating Agencies on a confidential basis (excepting only, on the part of the Rating Agencies, for purposes of rating the securities of the Issuer) (i) copies of all Program Agreements (including any amendments thereto) in effect from time to time; and (ii) such reports and other information relating to the conduct of the business and affairs of the Issuer as the Indenture Trustee and the Rating Agencies may reasonably require including, without limitation, information pertaining to any actual or anticipated Event of Default or other event which could reasonably be anticipated to have a material adverse effect on the affairs of the Issuer.

(i) amend, supplement, modify, restate or replace, or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to, any of the Program Agreements (other than this Indenture, Derivative Agreements and the Declaration of Trust) if any such supplementation, amendment, modification, restatement or replacement, or waiver or consent, could reasonably be considered to be materially prejudicial to the rights or interests of any Specified Creditor(s), except as expressly permitted by such Specified Creditor(s); provided that failure to provide such notice shall not invalidate such amendment, supplementation, modification, restatement or replacement, or waiver or consent); or

(ii) consent, if consent is required, to the resignation of the Manager under the Management Agreement.

(b) The Issuer will not amend the Declaration of Trust if such amendment would have an Adverse Effect or would reasonably be expected to have an Adverse Effect at any time in the future; provided that if an amendment would have, or would reasonably be expected to have, an Adverse Effect, such amendment may only be made with the consent of the Debtholders affected thereby, acting pursuant to an Ordinary Resolution.

(e) Where this Indenture, any Supplemental Indenture or any Registered Note provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver will be the equivalent of such notice.
