(c) IESO is not responsible for enforcing the obligations of Specified Consumers to pay, or the obligations of Electricity Vendors to invoice, collect or remit Clean Energy Adjustments or any other amounts, or to establish a segregated account into which Electricity Vendor CEA Collections are to be deposited, and IESO is under no obligation to initiate or prosecute any legal action relating to the collection of the Clean Energy Adjustments or the Issuer Investment Interest.

(d) IESO is not responsible or liable for the performance by Electricity Vendors of their duties and responsibilities under the Act or the Regulations including (i) the invoicing of Specified Consumers in respect of the Clean Energy Adjustment and ancillary matters related thereto; (ii) the collection from Specified Consumers of amounts due in respect of such invoices and the remittance of such payments to the Servicer; (iii) the accuracy of any information provided by the Electricity

Vendors; and (iv) any reporting by the Electricity Vendors, including the reporting to the Servicer of the total CEA Consumer Invoice Amounts invoiced by such Electricity Vendor to its Specified Consumers in respect of the Clean Energy Adjustment, the total Electricity Vendor CEA Collections received by such Electricity Vendor and the Issuer Share of Electricity Vendor CEA Collections received by such Electricity Vendor and any other reporting in the Electricity Vendor Billing Period Report.

(e) IESO is under no responsibility or obligation to the Issuer with respect to the nature or extent of the Issuer Investment Interest, the collectability of the Issuer Share of Servicer CEA Receipts or that the Issuer Share of Servicer CEA Receipts will be sufficient to satisfy the Issuer's Funding Obligations.

(f) IESO may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person, respecting any matters arising under this Agreement.

(g) IESO shall have no liability or responsibility to any Person in respect of any forecasts or other information provided pursuant to Section 3.2, provided only that such forecasts or other information has been prepared and provided in good faith.

(h) None of the directors, officers, employees or agents of IESO shall be liable to the Issuer or any other Person for any action taken or for refraining from the taking of any action pursuant to this Agreement or for good faith errors in judgment.

3.9 Servicing and Maintenance Standards

Subject to Section 3.8, the Servicer shall discharge its duties, responsibilities and obligations hereunder with reasonable care and in material compliance with the Requirements of Law, including the Act and the Regulations and, in doing so, shall follow standards, policies and procedures in performing its duties as Servicer hereunder that are customary for an electricity market operator and administrator that regularly performs settlement functions.

3.10 Appointments

The Servicer may at any time appoint OPG or any other Person to act as its agent to perform all or any portion of its obligations as Servicer hereunder; provided however, that in respect of the appointment of a Person other than OPG, the Rating Agency Condition shall have been satisfied in connection therewith; and provided further that the Servicer shall remain obligated and be liable for the performance of its obligations under this Agreement without diminution of such obligation and liability by virtue of the appointment of OPG or such other Person and to the same extent and under the same terms and conditions as if the Servicer alone were performing such obligations. The fees and expenses of OPG or any other such Person shall be as agreed between the Servicer and OPG or such other Person from time to time, and the Issuer shall not have any responsibility therefor or right or claim thereto. Any such appointment shall not constitute a resignation of the Servicer under Section 3.13.

3.11 Term

The Servicer's appointment as Servicer under this Agreement shall become effective as of the execution hereof and shall continue in full force and effect until the earlier of (a) the effective date of resignation of the Servicer in accordance with the provisions of this Agreement, (b) termination of all of the rights and obligations of the Servicer under Article 7, and (c) the date on which all Issuer Funding Obligations have been paid in full and all CEA Consumer Invoice Amounts have been received or written off (in each case, a "**Termination Event**"). The appointment of the Servicer as servicer under this Agreement shall be terminated effective as of the date of the Termination Event.

3.12 Mergers

Any Person (a) into which the Servicer may be merged, converted or amalgamated and that is a Permitted Successor, (b) that may result from any merger, conversion or amalgamation to which the Servicer shall be a party and that is a Permitted Successor, (c) that may succeed to the properties and assets of the Servicer substantially as a whole and that is a Permitted Successor, or (d) that otherwise is a Permitted Successor, which Person in any of the foregoing cases executes an agreement of assumption to perform all of the obligations of the Servicer hereunder, shall be the successor to the Servicer under this Agreement without further act on the part of any of the parties to this Agreement; provided, however, that (i) immediately after giving effect to such transaction, no representation or warranty made pursuant to Section 4.1 shall have been breached and no Servicer Default and no event that, after notice or lapse of time, or both, would become a Servicer Default shall have occurred and be continuing, (ii) the Servicer shall have delivered to the Issuer an Officer's Certificate and an Opinion of Counsel from external counsel stating that such consolidation, conversion, merger or succession and such agreement of assumption complies with this Section 3.12 and that all conditions precedent, if any, provided for in this Agreement relating to such transaction have been complied with, and (iii) the Servicer shall have given to the Issuer and each Rating Agency prior written notice of such transaction. When any Person that is a Permitted Successor acquires the properties and assets of the Servicer substantially as a whole or otherwise becomes the successor, by merger, conversion, consolidation, sale, transfer, lease or otherwise, to all or substantially all the assets of the Servicer in accordance with the terms of this Section 3.12, then, upon satisfaction of all of the other conditions of this Section 3.12, the preceding Servicer shall automatically and without further notice be released from all of its obligations hereunder (except for responsibilities for its actions prior to such release).

3.13 The IESO Not to Resign as Servicer

Subject to the provisions of Section 3.12, the IESO shall not resign from the obligations and duties imposed on it as Servicer under this Agreement except upon a determination that the performance of its duties under this Agreement shall no longer be permissible under applicable Requirements of Law. Notice of any such determination permitting the resignation of the IESO as Servicer shall be communicated to the Issuer and each Rating Agency at the earliest practicable time (and, if such communication is not in writing, shall be confirmed in writing at the earliest practicable time), and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Issuer and each Rating

Agency concurrently with or promptly after such notice. No such resignation shall become effective until a Successor Servicer that is a Permitted Successor has assumed the servicing obligations and duties hereunder of the Servicer in accordance with Section 7.2.

3.14 IESO Regulatory Obligation to Pay Carrying Costs

(a) The IESO acknowledges that it has an obligation to pay monthly Carrying Costs pursuant to the Regulations for the prescribed period set out in the Regulations (the "**Prescribed Period**") and agrees to comply with its obligations under the Regulations to pay and remit the Carrying Costs to the Issuer on a monthly basis.

(b) On or before the 4th Business Day of each calendar month during the Prescribed Period, the Issuer shall prepare and deliver to the IESO a written statement substantially in the form of Exhibit C (a "**Monthly Carrying Costs Statement**") certifying the amount of the Carrying Costs expected to be incurred in the following calendar month ("**Monthly Carrying Costs**"). If requested by the IESO, the Issuer shall, in lieu of providing the Monthly Carrying Costs Statement, enter the amount of the expected Monthly Carrying Costs in the IESO operated portal, or such other similar facility operated by the IESO, and such entry shall be deemed to be a certification of the accuracy of the amount entered.

(c) On or before the [14th] Business Day following receipt by the IESO of the Monthly Carrying Costs Statement, the IESO shall, as required under the Regulations, deliver or cause to be delivered to the Issuer, by wire transfer or electronic funds transfer in immediately available funds, an amount in Canadian dollars equal to the expected Monthly Carrying Costs certified by the Issuer in the applicable Monthly Carrying Costs Statement.

(d) To the extent that the expected Monthly Carrying Costs certified in a Monthly Carrying Costs Statement are less than or greater than the actual Monthly Carrying Costs incurred in respect of a calendar month, an adjustment shall be made to the expected Monthly Carrying Costs in respect of the first calendar month where the Monthly Carrying Costs Statement for such month is issued after the amount of the discrepancy is determined.

3.15 IESO Security for CEA Remittances

If required by the Issuer, the IESO shall provide to the Issuer, on or prior to the first day of the first Billing Period when amounts are invoiced to Specified Consumers in respect of Clean Energy Adjustments, a letter of credit in an amount equal to $■, or such other form of security as may be acceptable to the Issuer, as security for any failure of Electricity Vendors which are either not rated or are rated less than investment grade to remit their Electricity Vendor CEA Collections.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE IESO

4.1 Representations and Warranties

Subject to Section 3.8, the IESO makes the following representations and warranties as of the date hereof and as of each applicable Closing Date, and the IESO acknowledges that the Issuer will rely thereon in paying the Purchase Price related to Transfers of Specified Portions of the Regulatory Asset, and the Issuer has relied thereon in entering into this Agreement relating to the servicing of the corresponding Investment Interests.

(a) Organization and Good Standing. The IESO is a statutory corporation amalgamated under the laws of the Province of Ontario, with requisite corporate power and authority to own its properties, to conduct its business as such properties are currently owned and such business is presently conducted by it.

(b) Due Qualification. The IESO has obtained all necessary licences and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business (including acting as Servicer under this Agreement) shall require such licences or approvals, except where the failure to so qualify or obtain such licences and approvals would not be reasonably likely to have a material adverse effect on the IESO's business, operations, assets, revenues or properties, the Regulatory Asset or the servicing of related Investment Interests.

(c) Power and Authority. The IESO has the requisite corporate power and authority to execute and deliver this Agreement and to carry out its terms. The IESO has full corporate power and authority to hold the Regulatory Asset and to Transfer Specified Portions of the Regulatory Asset to the Issuer and the IESO has duly authorized such Transfer to the Issuer by all necessary corporate action. The execution, delivery and performance of all obligations under this Agreement have been duly authorized by all necessary corporate action on the part of the IESO under all applicable laws.

(d) Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the IESO, enforceable against the IESO in accordance with its terms, subject to bankruptcy, receivership, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing).

(e) No Violation. The consummation of the transactions contemplated by this Agreement and the fulfillment of the terms hereof by the IESO do not conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time, or both) a default under, the IESO's by-laws, or any indenture, or other material agreement or instrument to which the IESO is a party or by which it is bound, result in the creation or imposition of any Lien upon any of the IESO's properties pursuant to the terms of any such indenture, agreement or other instrument or violate any existing law or any order, rule or regulation applicable to the IESO issued by any Governmental Authority having jurisdiction over the IESO or its properties, except, in each case, where such breach would not reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under this Agreement or the Act or the validity or enforceability of this Agreement.

(f) No Proceedings. To the IESO's knowledge, except as disclosed in writing to the Issuer, there are no Proceedings pending or threatened against the IESO or its properties: (a) asserting the invalidity of this Agreement or the Act, (b) seeking to prevent the consummation of any of the transactions contemplated by this Agreement or the Act, or (c) seeking a determination or ruling that could reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under this Agreement or the Act or the validity or enforceability of this Agreement.

(g) Approvals. No approvals, authorizations, consents, orders or other actions or filings with any Governmental Authority are required for the IESO to execute, deliver and perform its obligations under this Agreement except those which have previously been obtained or made.

(h) Information. Except in respect of information provided by a third party, all written information, as amended or supplemented from time to time, provided by the Transferor to the Issuer with respect to the Issuer in a Transfer Notice and a Monthly Report is true and correct in all material respects and does not omit any material fact.

(i) The Transfer. After the completion of the Transfer on the applicable Closing Date, the IESO will have no right, title or interest in the Investment Interest related to the Specified Portion of the Regulatory Asset as set forth in the applicable Transfer Notice, and the related Investment Interest shall not form part of the estate of the IESO in the event of an Insolvency Event in respect of the IESO.

(j) No Transfer. Except for Permitted Transfers, the IESO has not sold, transferred, assigned or otherwise conveyed any interest in the Regulatory Asset to any Person.

(k) Liens. IESO has not pledged or otherwise granted a Lien to any Person in the Regulatory Asset and to the IESO's knowledge (after due inquiry), there is no registered financing statement listing the IESO as debtor covering or extending to the Regulatory Asset.

(l) Tax Liens. The IESO (i) is not aware, after due inquiry, of any judgment or tax lien filing against the IESO, and (ii) is not a non-resident of Canada for purposes of the *Income Tax Act* (Canada).

(m) Solvency. On the date hereof and after giving effect to each Transfer, the IESO:

(i) reasonably believes that it will be able to pay its debts as they come due; and

(ii) is able to pay its debts as they mature and does not intend to incur, or believes that it will not incur, indebtedness that it will not be able to repay at its maturity.

(n) No Court Order. There is no order by any court that seeks to enjoin the performance of any obligations of the IESO under the Act or this Agreement.

4.2 Survival

The representations and warranties set forth in Section 4.1 shall survive the execution and delivery of this Agreement, each Transfer of a Specified Portion of a Regulatory Asset to the Issuer and the pledge of the corresponding Investment Asset to the Indenture Trustee pursuant to the Indenture and may not be waived by any party hereto except pursuant to a written agreement executed in accordance with Section 8.1 and as to which the Rating Agency Condition has been satisfied.

ARTICLE 5
COVENANTS OF THE IESO

5.1 Existence

So long as any Issuer Funding Obligations are outstanding, the IESO (a) shall not take any action to impair its corporate existence, and (b) will obtain and preserve its qualification to do business in the Province of Ontario.

5.2 No Transfer or Liens

Except for Transfers under this Agreement to the Issuer or Permitted Transfers, the IESO will not Transfer the Regulatory Asset or any portion thereof to any person. The IESO will not grant, create, incur, assume or suffer to exist any Lien on the Regulatory Asset or any portion thereof. The IESO will not at any time assert any Lien against or with respect to the Issuer Investment Interest, except for any Lien granted by the Issuer to the IESO.

5.3 Notice of Liens

The IESO shall notify the Issuer promptly after becoming aware of any Lien on any portion of the Regulatory Asset.

5.4 Compliance with Law

The IESO will comply with all Requirements of Law applicable to, and binding upon, the IESO or relating to the Regulatory Asset, except to the extent that failure to so comply would not materially adversely affect the Transfer of Specified Portions of the Regulatory Asset or the IESO's performance of its obligations under this Agreement; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the IESO for non-compliance with any Requirement of Law that the IESO is contesting in good faith in accordance with its customary standards and procedures.

5.5 Covenants Related to the Investment Interest

(a) So long as any Issuer Funding Obligations are outstanding, the IESO shall treat the Issuer Investment Interest as the Issuer's property for all purposes.

(b) Except for investments held for employee benefit purposes, the IESO shall not at any time become a holder of Issuer Funding Obligations.

(c) The IESO shall disclose the effects of all transactions between the IESO and the Issuer in accordance with generally accepted accounting principles (for government entities).

(d) (i) In all Proceedings relating directly or indirectly to the Issuer Investment Interest, the IESO shall affirmatively certify and confirm that it has Transferred all of its rights and interests in and to the Specified Portions of the Regulatory Asset giving rise to the Issuer Investment Interest, (ii) the IESO shall not make any statement or reference in respect of the Issuer Investment Interest that is inconsistent with the ownership interest of the Issuer, and (iii) the IESO shall not take any action in respect of the Issuer Investment Interest except solely in its capacity as the Servicer thereof pursuant to this Agreement.

5.6 Non-petition Covenants

Notwithstanding any prior termination of this Agreement or the Indenture, the IESO shall not, prior to the date that is one year plus one day after termination of the Indenture and the payment in full of all Issuer Funding Obligations and any other amounts owed under the Indenture, petition or otherwise invoke the process of any Governmental Authority for the purpose of commencing or sustaining a Proceeding against the Issuer under any Canadian bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official or any substantial part of the property of the Issuer.

5.7 Disclosure

The IESO shall provide such non-confidential information regarding IESO, the Regulatory Asset and the services provided by the Servicer hereunder (collectively, the "**IESO Disclosure**") as may be reasonably requested by the Issuer for inclusion in any offering document of the Issuer from time to time, including but not limited to offering memoranda, prospectuses, registration statements and continuous disclosure documents (the "**Offering Documents**"), provided that the IESO has been given a reasonable opportunity by the Issuer to review any such Offering Documents and has provided its consent to the use of such IESO Disclosure. The IESO represents that, except in respect information provided by a third party, all

IESO Disclosure, as at the respective dates of delivery to the Issuer, is true and correct in all material respects and contains no misrepresentation.

5.8 Further Assurances

Upon the request of the Issuer, the IESO shall execute and deliver such further instruments and do such further acts as may reasonably be necessary to carry out the provisions and purposes of this Agreement.

5.9 Access to Certain Records and Information

The IESO shall provide to the Issuer access to all records relating to the IESO Deferral, the Fair Hydro Variance Account, the IESO Segregated Account and Servicer CEA Receipts, as is reasonably required for the Issuer to confirm compliance by the IESO with its obligations under this Agreement. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the offices of the IESO. Nothing in this Section 5.9 shall affect the obligation of the IESO to comply with any Requirement of Law prohibiting disclosure of information, and the failure of the IESO to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.9.

5.10 Maintenance of Operations

Subject to Section 3.12, the IESO agrees to continue, unless prevented by circumstances beyond its control, to operate as the electricity system operator in the Province of Ontario so long as it is acting as the Servicer under this Agreement.

ARTICLE 6
IESO INDEMNITIES

6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer and each of its trustees, officers, directors and employees (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against such Person, as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the IESO is a party; or (ii) the breach by the IESO of any of its representations or warranties under this Agreement or any other Program Agreement to which the IESO is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, or (iii) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.12) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section 3.13 of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO.

(e) The IESO shall not be required to indemnify any party under this Section 6.1 for any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

ARTICLE 7
SERVICER DEFAULT

7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of **[two/three]** Business Days after written notice of such failure is received by the Servicer from the Issuer or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement or in any other Program Agreement to which it is a party (other than as provided in Section 7.1(a)), which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement to which it is a party, any Transfer Notice or any Monthly Report shall prove to have been incorrect when made, which has a material adverse effect on the Issuer and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer by the Issuer or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Issuer may, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), Issuer shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Issuer is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer and the Issuer in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

7.2 Appointment of Successor Servicer

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Issuer may, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Issuer may petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the

Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Issuer be liable for its appointment of a Successor Servicer..

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

7.3 Waiver of Past Defaults

The Issuer may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, subject to satisfaction of the Rating Agency Condition in respect of any waiver of a material default by the Servicer, and with prompt written notice of any waiver to be provided to the Rating Agencies. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer and each Rating Agency, promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

ARTICLE 8
MISCELLANEOUS

8.1 Amendment

This Agreement may be amended in writing by the IESO and the Issuer, and with satisfaction of the Rating Agency Condition, such satisfaction to be confirmed by the Issuer at the time of such amendment. Promptly after the execution of any such amendment, the Issuer shall furnish copies of such amendment to each of the Rating Agencies.

8.2 Withholding Rights

The parties shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

8.3 No Partnership

Each party expressly disclaims any intention to create a partnership, and none of the Issuer or the IESO will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

8.4 Notices

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

8.6 Limitations on Rights of Third Parties

The provisions of this Agreement are solely for the benefit of the IESO and the Issuer, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Issuer Investment Interest or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

8.7 Severability

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

8.10 Grant of Security Interest to Indenture Trustee

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors.

8.11 Limitation of Liability of the Issuer Trustee

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.11, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

(c) The holders of the units of the Issuer will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by it to be taken. The holders of the units of the Issuer will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the holders of the units of the Issuer owned in their personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

8.12 Waivers

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof, subject to the satisfaction of the Rating Agency Condition in respect of any material waiver. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party, with prompt written notice of any such waiver to be provided to the Rating Agencies. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.
