**Subject:** Ryerson CUE Integration of Urban and Energy Planning  
**Attachments:** 1-White Paper 5-Energy Planning.pdf

Hi,

Please find attached the latest paper by Bob Singh, IESO's Distinguished Research Fellow at Ryerson CUE focusing on the Integration of Urban and Energy Planning.

Please let me know if you have any major concerns about the veracity of the content, accidental disclosure of sensitive information, etc. by Wednesday, June 7.

All papers by IESO's Distinguished Research Fellows feature a disclaimer that they represent the views of the fellows and not necessarily the IESO.

FYI I'm working with Ryerson CUE to set up the next workshop to provide input on Bob's next paper, the last in the current IESO-Ryerson CUE contract.

All the best,
