Subject: Ryerson CUE Energy Storage
Attachments: 5-White Paper 5 - Energy Storage.pdf

Hi,

Please find attached the latest paper by Bhanu Opathella, IESO's Distinguished Research Fellow at Ryerson CUE focusing on Energy Storage.

It would be greatly appreciated if you could provide any high-level comments, particularly if you have any concerns about the veracity of the content, accidental disclosure of sensitive information, etc., by Wednesday, June 7.

All papers by IESO's Distinguished Research Fellows feature a disclaimer that they represent the views of the fellows and not necessarily the IESO.

FYI I'm working with Ryerson CUE to set up the next workshop to provide input on Bhanu Opathella's next paper, the last in the current IESO-Ryerson CUE contract.

All the best,
