Subject: outputs from May 23 HRLT planning meeting

Hi Marcia – I hope you are having a good weekend.

Attached, please find the outputs from our session last week – for discussion at our 11 am meeting tomorrow.

One other thing I'd like to discuss – I realize that the weekend of June 16 /17 I am supposed to be in Montreal for a friend's 50th birthday party. We had discussed that I would do the outputs from June 15 over the weekend and have it ready for you by Monday June 18. Is it possible to get to you towards end of day on June 18 instead of first thing that morning? Let's discuss tomorrow.

Talk soon.

Best

Joanne
