Hi.

I just sent this to the usual suspects. They have been burning up phone lines this morning to MO and PO.

To help maintain alignment, please let me know about any inbound stakeholder connects on this topic, perhaps?

Andrew

Good Afternoon:

Many have inquired about the article that appeared in "La Presse" today.

Please find enclosed a letter from late last month that Minister Thibeault dispatched to counterpart Minister Arcand rejecting the proposal from Hydro Quebec. Please feel free to give me a call or let Carys know (cc'd) that you'd like to chat. I'm sorry - am committed to giving everyone a ring back and appreciate the questions that the article raises. Hopefully this letter (enclosed) can help alleviate any initial concern.

Also - apologies for the "mass" e-mail informality, just trying to get back to everyone at once, you understand.

Many thanks, in advance.

Andrew Teliszewsky
