Subject: Brattle Report
Attachments: Benefits-Case-Assessment-Market-Renewal-Project-Clean-20170420.pdf

Hi Peter,

I was reviewing the Brattle Group report dated April 20, 2017 and note that the Exec Summary provides a range of \$2,200 million to \$5,200 million in net benefits from market renewal. This is consistent with the 2017 LTEP reference of to up to \$5,200 million in savings.

Serge
