Hi Jeff,

I forgot to mention this on our call today at 5:00. Peter and I participated in the Young Professionals in Energy event last week. We suggested you would be a great speaker at their next event. I told Mabel I would check with you.

Hi Mabel,

It was a great event and I really enjoyed meeting you and all the other young leaders in the sector. I'm speaking with Jeff today and can mention a possible speaking engagement at your next event. I'll send an email connecting you and Jeff.

Hi Serge,

I wanted to send you a quick note to thank you for speaking at our YPE event on Thursday.

I heard great feedback from attendees during the reception, the event was a resounding success. Thank you for sharing your perspective on current policy matters with us, as well as some of your personal career experiences. I spoke to several people who particularly appreciated hearing your thoughts on the benefits

of working in the public service – our members are eager to learn about different career path options in the industry.

Thanks also for your & Peter's kind offer to connect us with Jeff Lyash, we'd be delighted to do an event with him this year. We welcome your recommendations and advice. It was great to have the opportunity to brainstorm with you and Peter about potential future YPE speakers in our chat before the event.

Warm regards,
Mabel
