Subject: RE: ELT Meeting Materials - Thursday, October 19, 2017

Further to our discussion at ELT, please find attached the working draft plan and memo to the Audit Committee in support of the Oct 24 input discussion. This working draft is built based on input from your directors and other staff, the audit universe risk assessment and insights from other audits. I will schedule time with each of you to discuss the plan, looking at both proposed audits and timing. I will bring a plan to the December Audit Committee for final approval.
