Attachments: Notes for Energy Round Table PGregg November 2017_jl.docx

Hi Jordan, the deck looks fine. As to the Word doc with speaking notes, I've embedded a few comments/questions/considerations. Let me know if anything is unclear. I'll let you use your judgment about whether to share it with Tabatha, as she didn't ask me to copy-edit. Thanks!

FYI - can you take a look and let me know if you have any concerns or comments on what has been proposed by Tabatha.

Subject: Notes for Energy Table.

Hello All.

I have attached a word document which includes speaking notes for Peter for the three highlighted areas below. This includes: Introduction, Notes on the Implementation Plan and an Update which includes notes on the Indigenous Energy Symposium. Please let me know if you want to comment/review the notes in advance of them being sent to Peter.

As we discussed over email there was a request for the IESO to present on both the Indigenous Energy Symposium and the Implementation Plan. Although we have prepared presentations for previous Energy Tables, the meetings have progressed such that we have not been asked to present, so I highly doubt there will be an opportunity for that. That being said, I have attached two presentations on the Implementation Plan -- one is the one that is on our website for the Webinar and the other is a more condensed version with a slide specific to First Nation engagement that we are using at the First Nation Regional Engagement sessions. I suggest we bring copies of the condensed version.

1. Opening Remarks
 - Elder
 - Nathan
 - Chiefs Committee rep
 - Ontario Regional Chief
 - Minister Thibeault
 - *Introductions*
2. Ontario Fair Hydro Plan and First Nations Delivery Credit

- Update on the Delivery Credit Implementation
- Update on the Affordability Fund
- Eliminating Delivery Credit on Band Buildings
- 3. *Long Term Energy Plan*
 - Opportunities for First Nations
 - Opportunities for collaboration
- 4. Updates
 - Ministry
 - Hydro One
 - IESO
 - OPG
 - OEB
 - Grievance Process
 - Watay Power
 - National First Nations Energy Strategy (AFN)
