Subject: LTEP deck for today
Attachments: 2017-06-21 - LTEP Initiatives Update v3 (clean).pptx

Hi Mike,

Attached is the product for this afternoon, which outlines outstanding decisions (market renewal, EW tie and bending cost curve initiatives) as well as past decision items.

Ministry expects a large group today and have asked that we keep our attendance at a minimum. Will it be just you from your group?

Let me know,
Anthy
