Subject: For review: LTEP Board deck
Attachments: LTEP 2017 Update - August Board Meeting - 20170811 v1.pptx

Importance: High

Hi all:

Attached for your review is the LTEP update deck for the upcoming Board meeting. Bashir/Andrew, please feel free to insert the updated analysis on the GHG emissions where you think it fits best. We'll also need to add a bullet on this analysis in the "purpose" and "summary" slides.

The deck is due EOD Tuesday for review at Thursday's ELT meeting. Comments/suggested edits are welcome before then.

Thanks. Have a wonderful weekend.
Anthony
