Anthy/David – regarding the attached, can you seek clarity from Ministry on what they are looking for on the one transmission slide in the T&D module?

In the last LTEP, there wasn't a transmission module. All we had was one slide in the main assumptions module that just listed all the major transmission projects in the outlook and their in-service dates. Looks like they may have something similar in figure #9 module 0.

Thanks.

Hi Anthy,

I sent you an invitation for 2:00 – 2:30 pm tomorrow to discuss the modules. Would you mind forwarding the invite and conference number to Jordan if he is planning on calling in your place?

Conference line: 416-212-8010, ID: 3253556

A revised outline is attached.

Thank you,

Letitia
