Reference: Ex. F2-2-3, Attachment 1

The September 2016 Mandate Letter to the Minister of Energy asks that he "Continue to partner and collaborate with the Province of Québec on key energy issues, including ... In co-operation with the IESO and Hydro-Québec, further the intention to explore an electricity trade agreement that would provide value to Ontario ratepayers."

Please provide a breakdown of the transmission upgrade projects that would be necessary to replace the power from Pickering with imports from Quebec. Please indicate an approximate cost for each project and an estimate of the amount of time it would take for the project to be completed.
