Attached is the IESO's 2016 Annual Report. Everything we work on is contained in this document. All the procurements we initiated, all the invoices we pay (even market invoices), all the payrolls we process, all the journal entries we book.

As I say every year, you can tell your family and friends that you have been published.

Thanks to everyone for all the effort in 2016!!!

I will make certain paper copies are available for anyone who wants one once they are printed.

Cheers, Susan
