Subject: draft board agenda August 15th

With the assistance of Georgia, I attach for your review and comment the draft agenda for the Special Board meeting on August 15th.

Please confirm the title of the agenda items, presenters, proposed time allocation and whether it is a decision or information item. From our discussion earlier this week my understanding is that the question of whether we are seeking approval of the business plan and/or SME application on the 15th remains an open question to be decided next week.

thank you,

John
