Subject: RE: OEB RPP price report

Thank you for this. I will keep it in my files for future questions. I think it is the report before this (dated 20170420?) I tried that date in the OEB search engine but could not find the document.

Also I got your VM. Lia is preparing a memo on principles for charging IESO labour to GAM.

I am back at Clarkson now but about to get on a call. Email me if you have any concerns.

Are you looking for the last report that introduces the reduction and the modifier? I have attached that report.

Mark Donaldson from the OPCD is looking for the above report. We included it as an attachment in a FHP document earlier this year but the link is not working.

Do you have a link readily available that you can flip to me?

Thanks, Susan
