Hello,

Just made some formatting changes in the spreadsheet.

Thanks,  
Abbas

Hello,

Please find attached an explanation of the RPP process as well as supporting settlement and balancing data for January 2005 to January 2018. Note that the RPP program actually started in April 2005, so we must've been settling the previous program with the same charge type.

Please let me know if you have any concerns.

Thanks,
