Subject: IESO ERM Maturity Assessment Leading Practices Review.pdf
Attachments: IESO ERM Maturity Assessment Leading Practices Review.pdf

Attached is the final report from MNP on the ERM process assessment. Thought in your “free” time you might like to read how ERM is intended to move forward – I understand Peter wants the organization to move to level 4 on the capability model. Do note that most of this should be pushed down to the Directors and below so maybe this is another Director topic. I withhold my opinion on who should present it though..... JB
