Subject: IESO Response Letter to MSP 29 - Please Review
Importance: High

Hi everyone,

As outlined in the email I sent on Wednesday, the IESO received the most recent MSP Monitoring Report on February 23rd and provided a response to the OEB on March 26th. The response outlined the IESO's desire to meet with the Panel to fully understand the Panel's recommendations and observations, and following the meeting the IESO would provide a more detailed response to the recommendations. On Thursday May 3rd, the IESO had the opportunity to meet with the Panel.

Attached you will find the draft response letter for your review. Please provide your comments **no later than the end of the day Tuesday May 15th**.

A proposed response timeline is provided below for your convenience. This timeline targets a response to the OEB from the IESO by May 23rd.
