Hi Keley,

I am attaching a note that the IESO used as a discussion guide for the meeting with Alan H earlier this week. I believe that the CoS has an interest in some of the information within the document, but also thought it may be helpful in the ministry's considerations as well.

Cheers,

Jordan

Hi Jordan,
Further to this, we provided the attached to Alan as background. He is asking for similar information on the CES contract. Is this possible to provide by this afternoon?
Thanks,
Keley
