Hi Barb,

Updated Market Renewal key messages and Q&As are attached for your review. They build off existing content but also include new content. Please keep in mind the audience is media, so we are trying to keep things simple (or as simple as possible when you're talking to laymen about day-ahead markets and such...).

As I understand Jordan's mentioned to you, these are for media calls happening today.

Thanks and let me know if you have any questions.

Andrew
