Subject: Save on Energy Marketing: Meeting Materials

Good morning Rachel,

Here are a couple documents that we'll walk through at this afternoon's briefing. One presentation provides an overview of the Save on Energy brand strategy and the culmination of that into a 2016 campaign. The second deck provides the research that demonstrates the success of the 2016 marketing efforts and the plans for 2017.

See you at 4:00.

Regards,

Jordan
